Hello

Congratulations! I am pleased to invite you to the 2025 Leadership Institute, hosted by the Council for Learning Disabilities. We will be holding the Leadership Institute as an all-day event prior to the conference in Salt Lake City, Utah on Wednesday, October 15, 2025.

The Leadership Institute has proven to be an enriching day focused on building future leaders in the field of learning disabilities. There will be round table discussions and invited speakers covering topics such as, the history of CLD, getting involved with the CLD Leadership, CLD committees, the Leadership Academy, publishing, the job market, teaching tools, and other topics related to academia, other career options, and early career resources.

Registration details: The Leadership Institute code to register for the conference and LI is **LICLD2025**. Please make sure that your CLD membership is up to date when registering. Participants who attend the LI must also register for the CLD conference (one day or full) and are responsible for paying their conference registration fee and hotel expenses. See the CLD website for conference registration and hotel accommodations information.

Please email CLD Executive Director, Julie Cordell (jcordelk1d@gmail.com), with any questions about registration. Individuals who are interested in applying for the Leadership Academy Cohort 15 in 2026 will need to attend the Leadership Institute in 2025.

Note that you will receive further info from CLD regarding the conference schedule and relevant links after you are registered. I will be sending updates about the Leadership Institute details, as we get closed to the date.

Thank you so much. I look forward to seeing you in October.
