### ACTIVITY III: WRITING ACTIVITY – CLASSROOM OBJECTS

You are starting a brand new school year shortly, and your parents have asked you to get a list of the supplies you may need. However, since you are in high school now, not many of the teachers give a supply list. Read the emails from your friends, and then create a list of things you may need for your classes.

- a) Ms. Reyes is a very creative person. She often has her students do interesting and artistic projects. She likes to have fun and use a lot of color.

- d) Dr. Lazarte teaches an advanced class. His students take a lot of notes and do a lot of problems for homework. He loves **numbers** and using them in equations to solve problems. He often requires that they write on the board in his classroom.
