

NEUROANATOMY

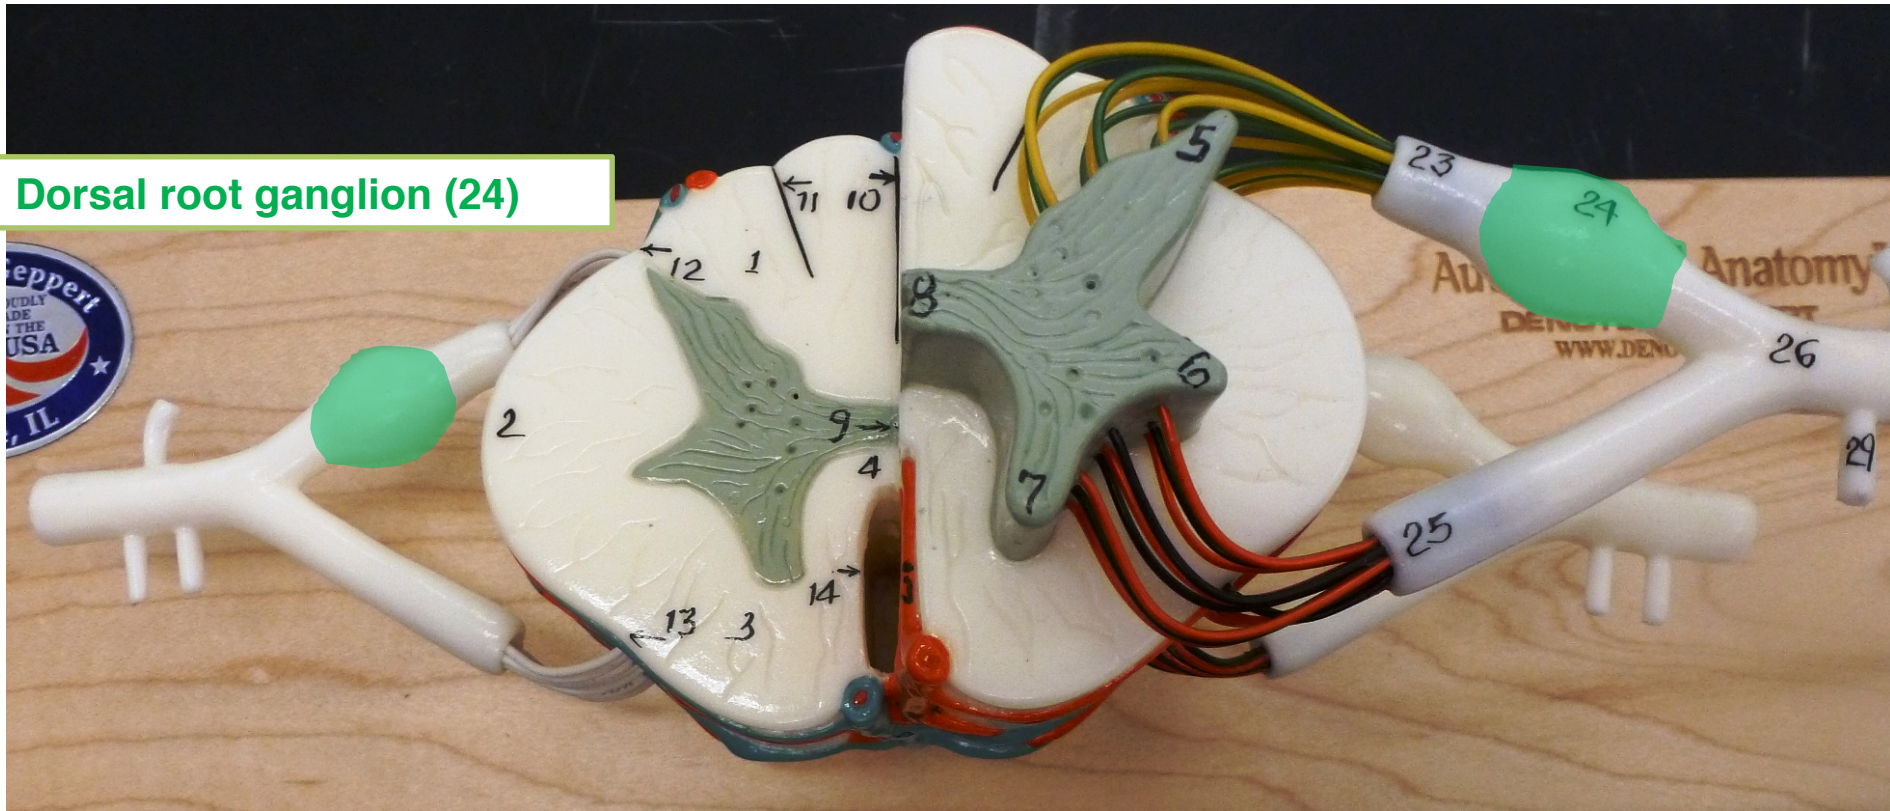

Overview

SPINAL CORD MODEL

SPINAL CORD MODEL

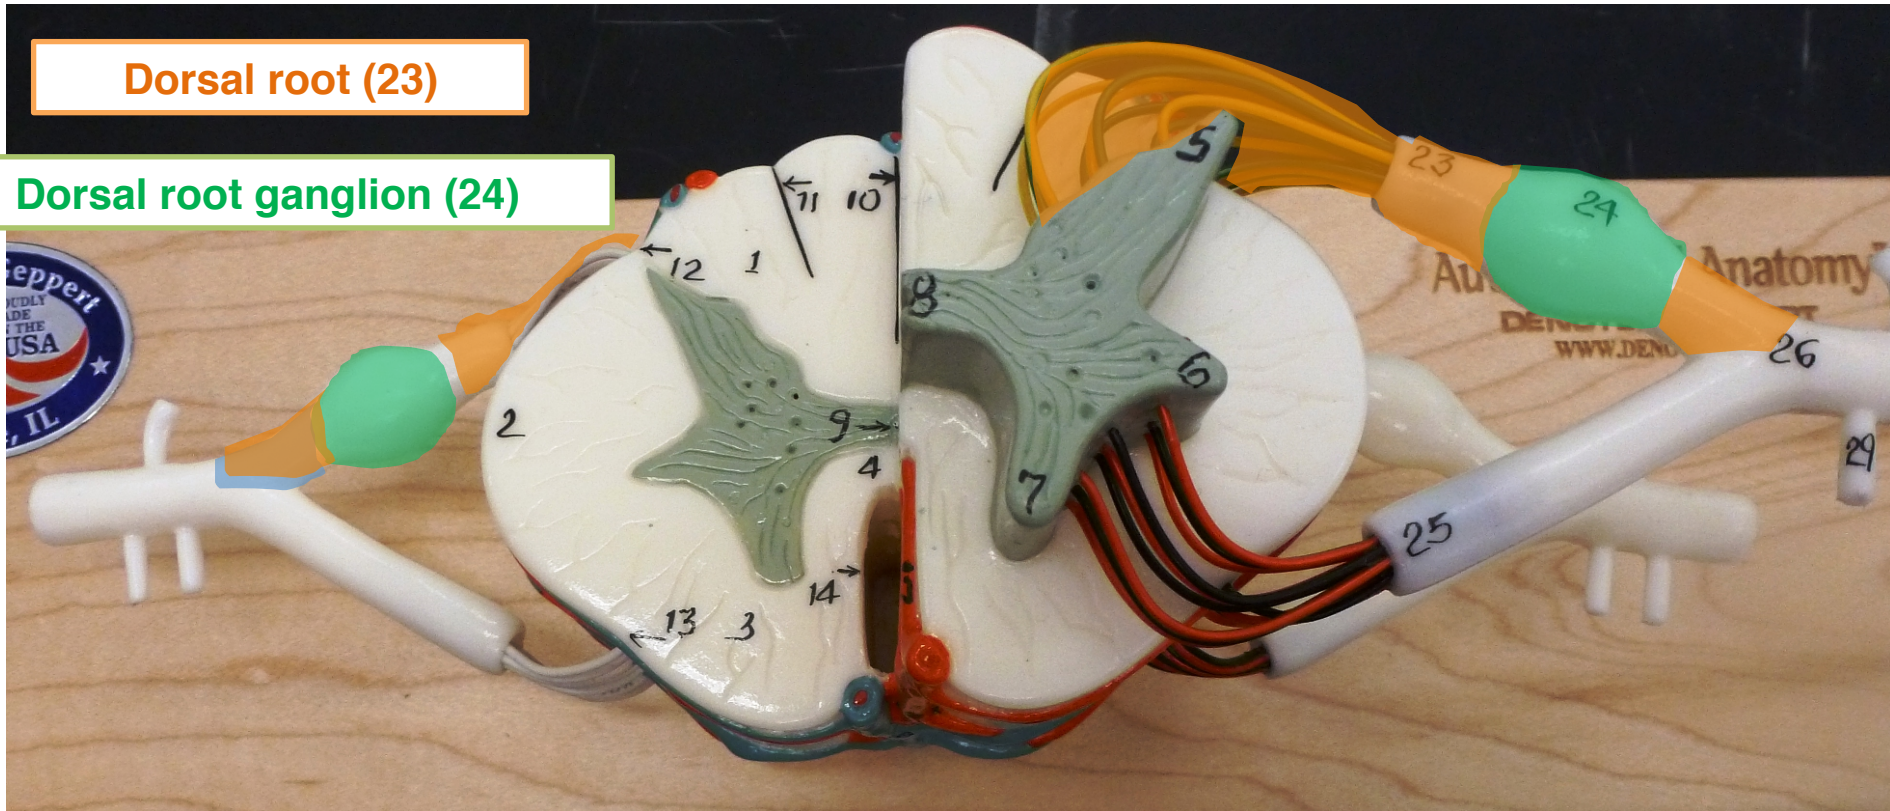

Dorsal root ganglion (24)

SPINAL CORD MODEL

Dorsal root (23)

Dorsal root ganglion (24)

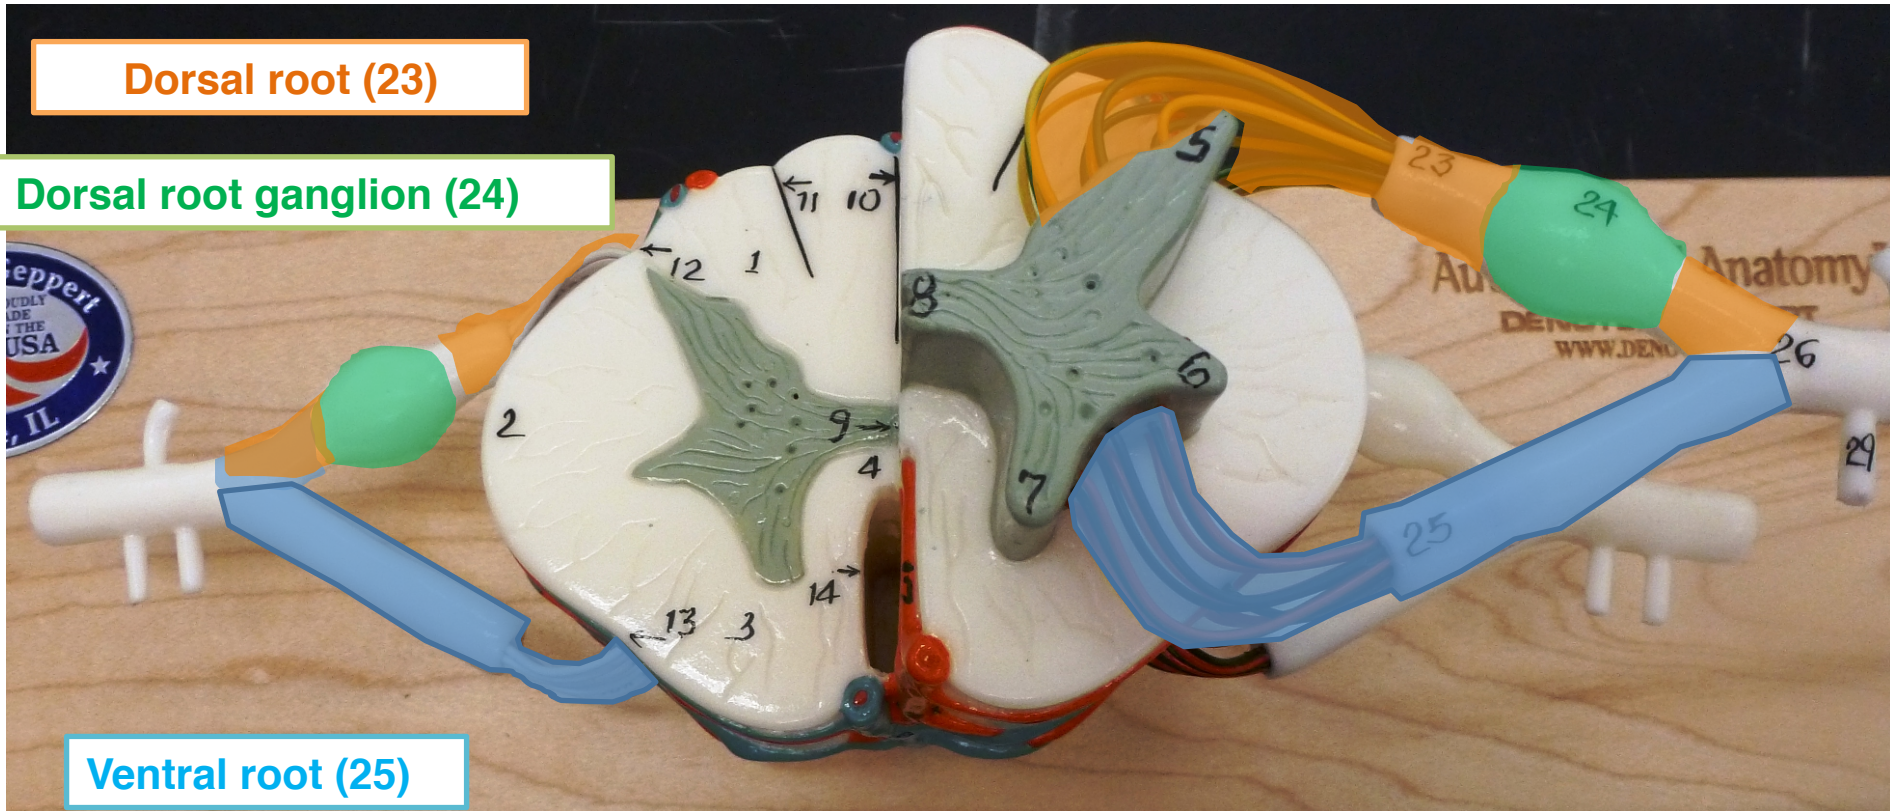

SPINAL CORD MODEL

Dorsal root (23)

Dorsal root ganglion (24)

Ventral root (25)

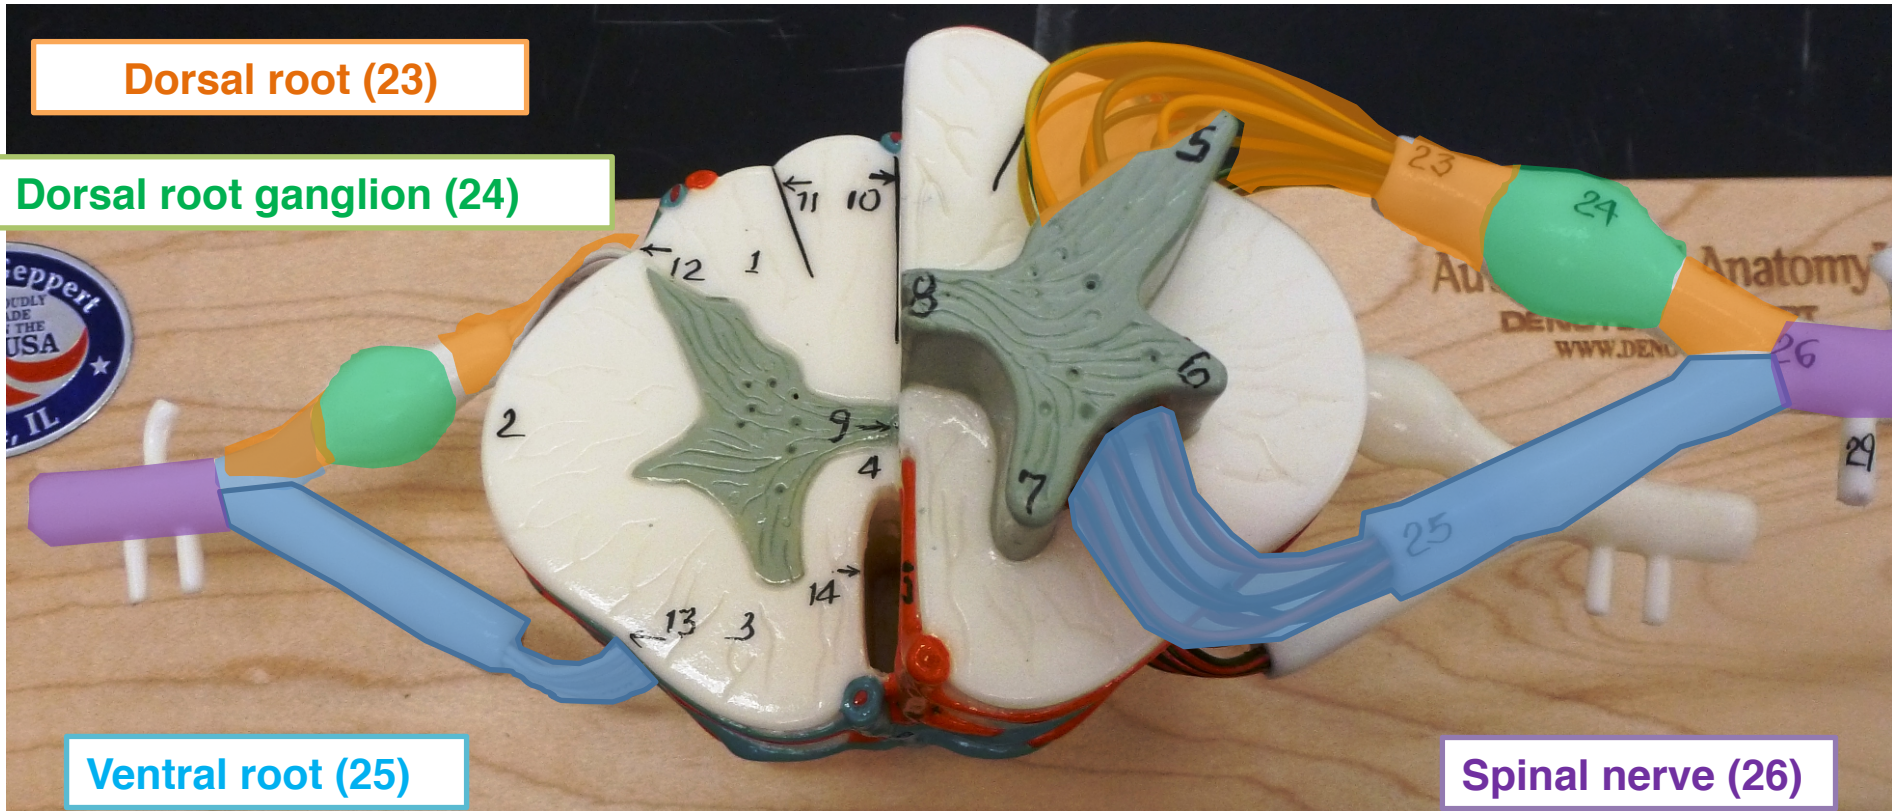

SPINAL CORD MODEL

Dorsal root (23)

Dorsal root ganglion (24)

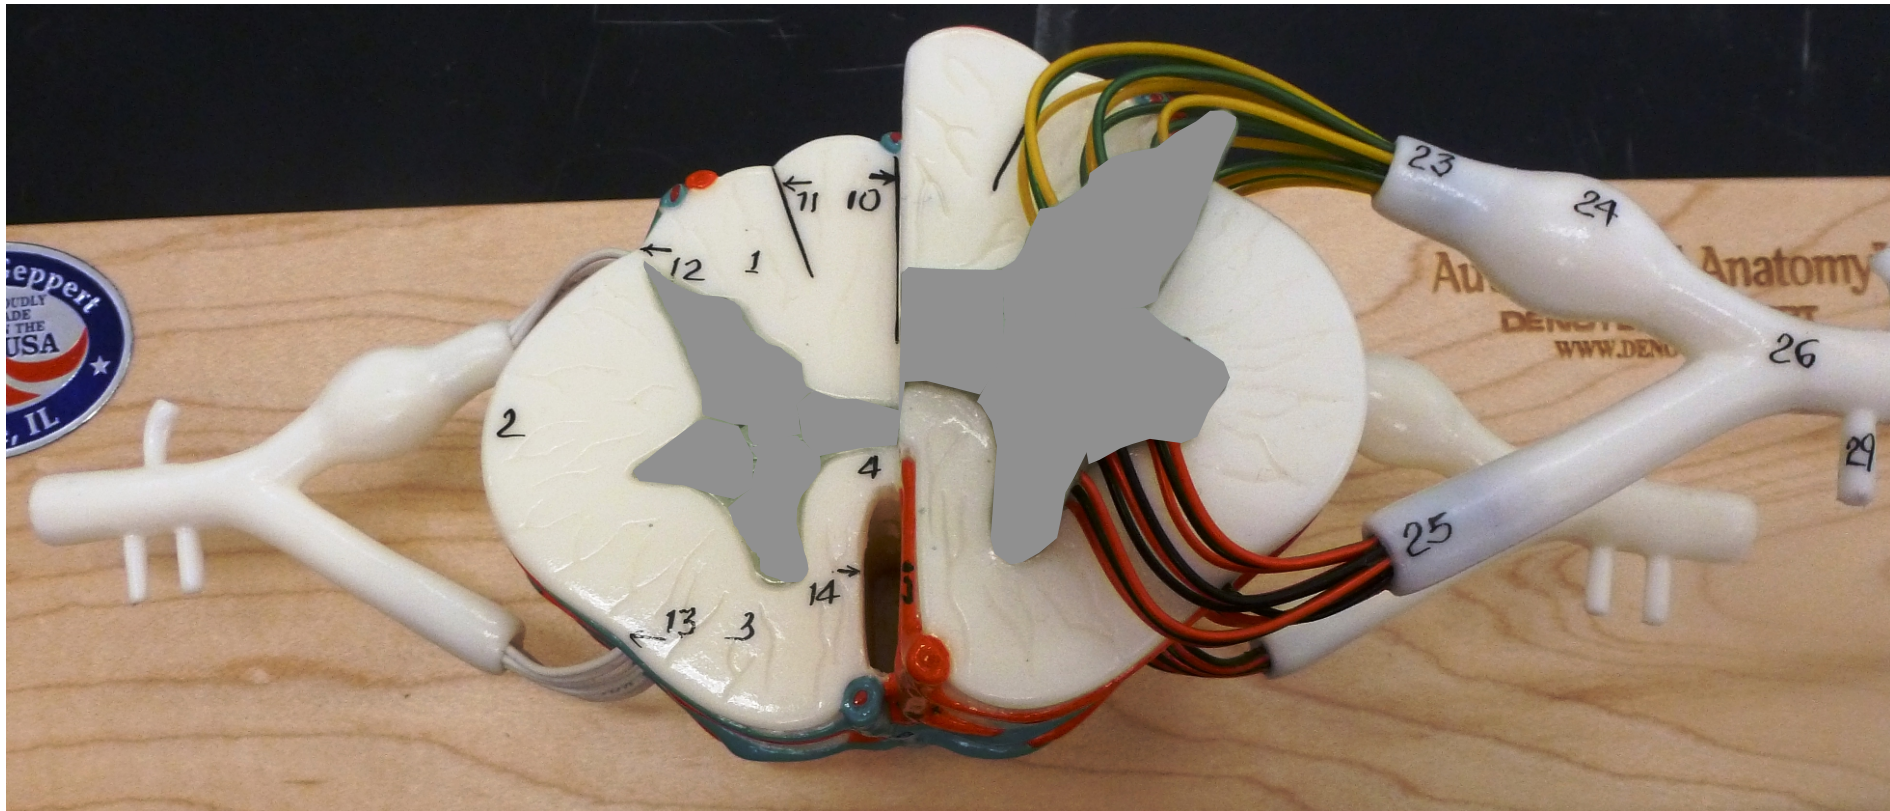

Ventral root (25)

Spinal nerve (26)

SPINAL CORD MODEL

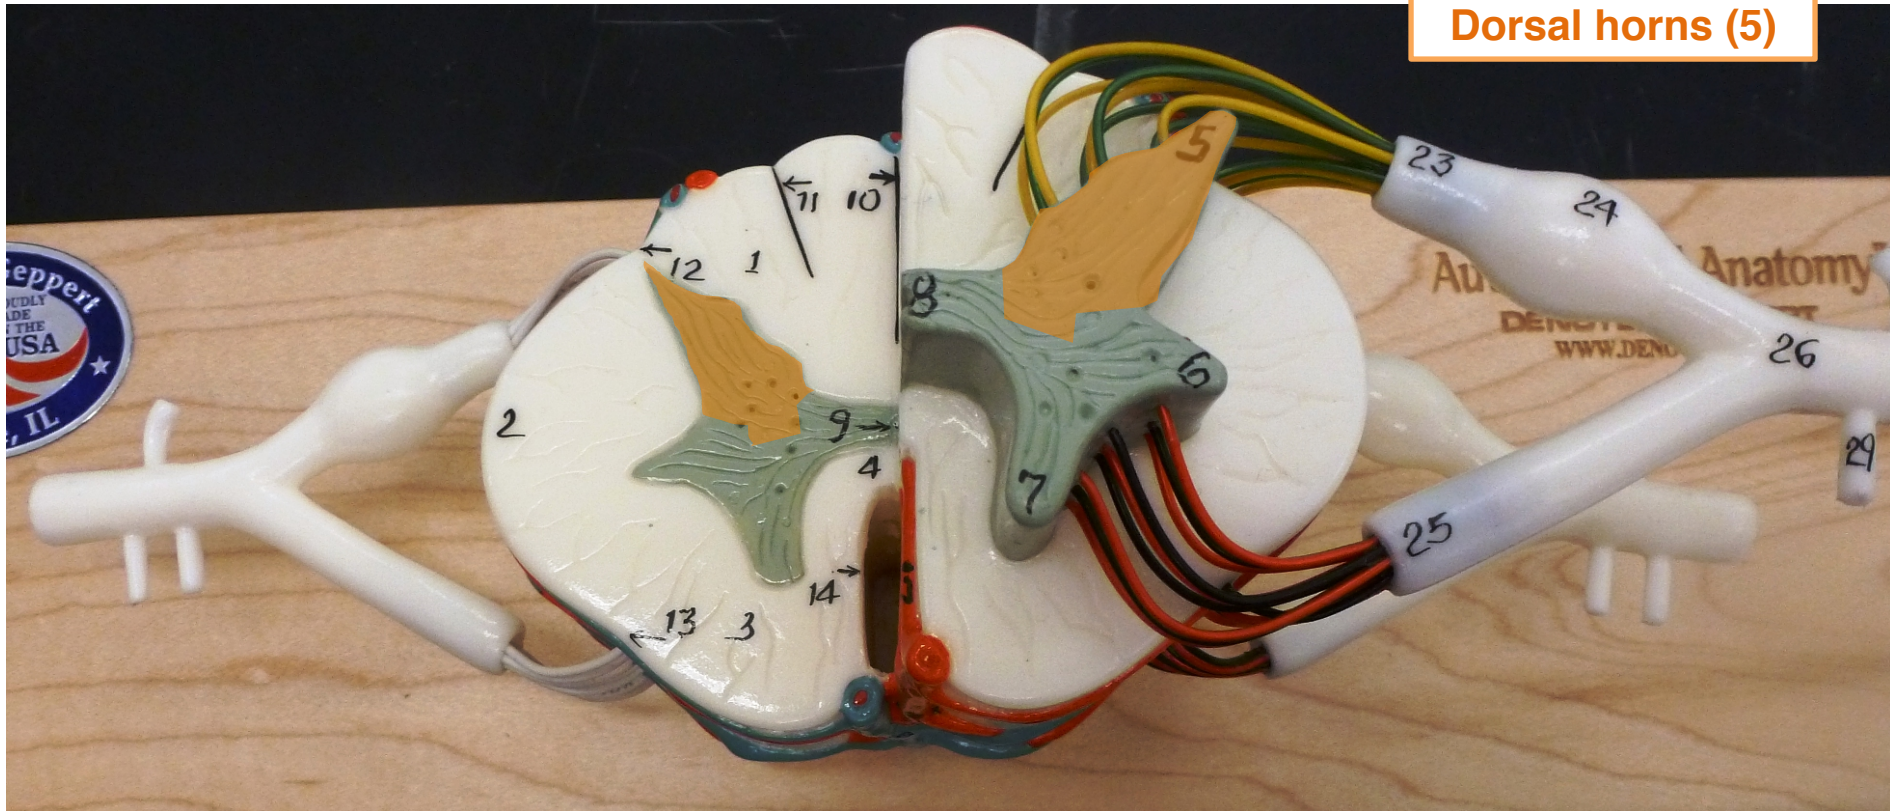

The Grey Matter
(5,6,7,& 8) together

SPINAL CORD MODEL

**Grey Matter
(5,6,7,& 8)**

Dorsal horns (5)

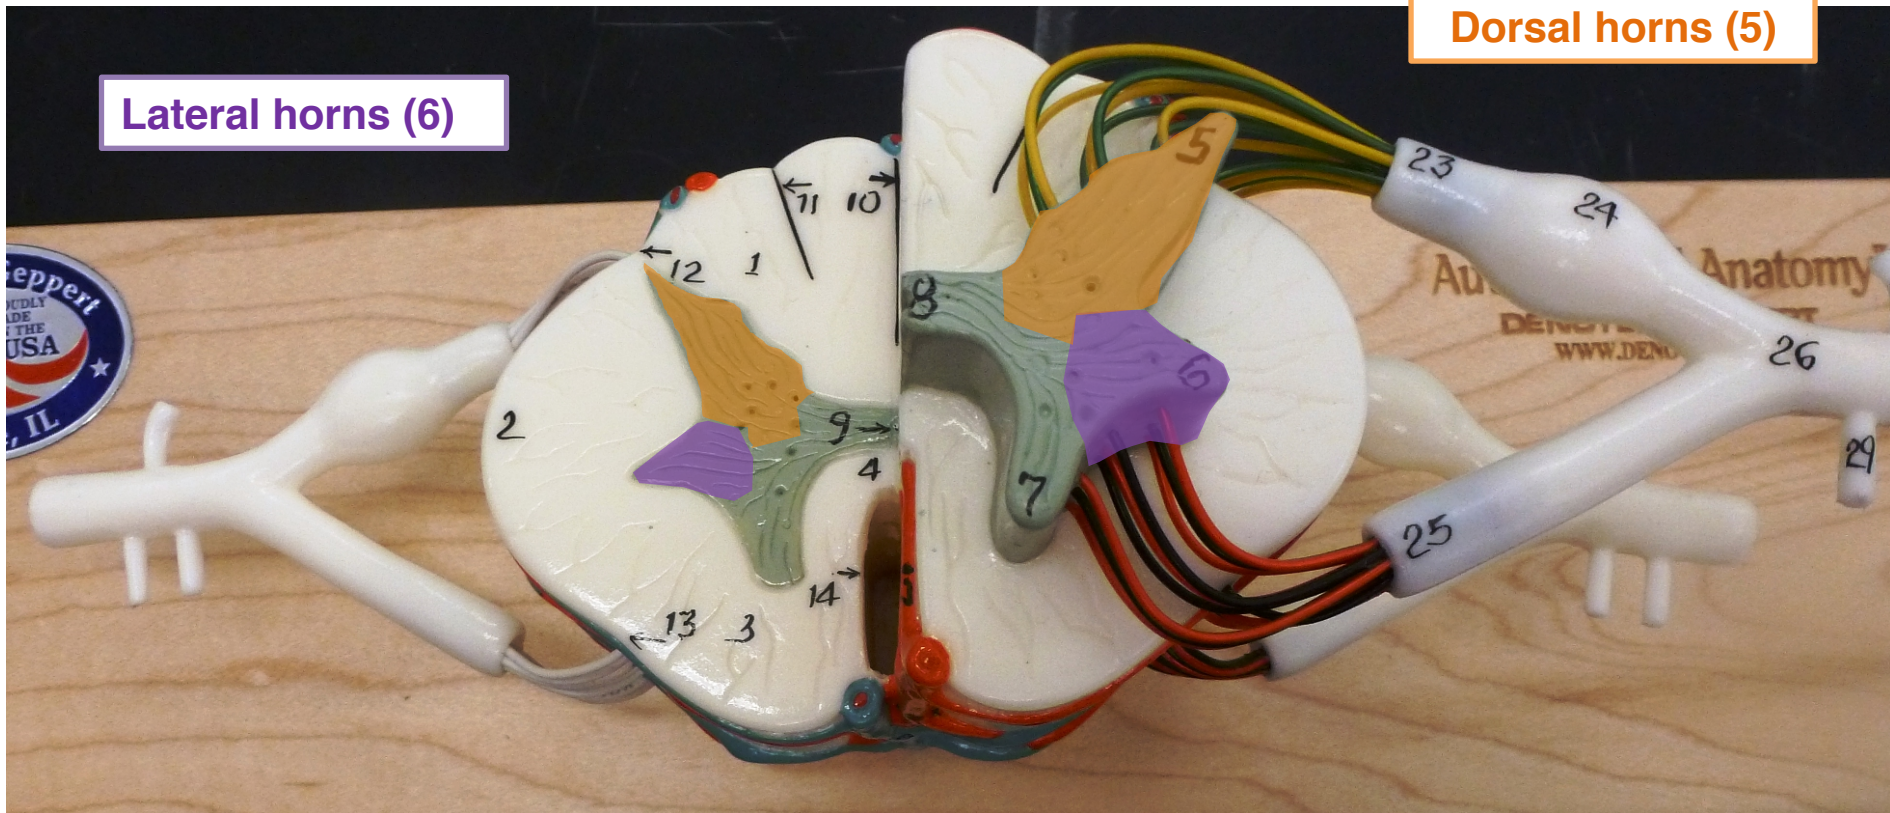

SPINAL CORD MODEL

Grey Matter
(5,6,7,& 8)

Lateral horns (6)

Dorsal horns (5)

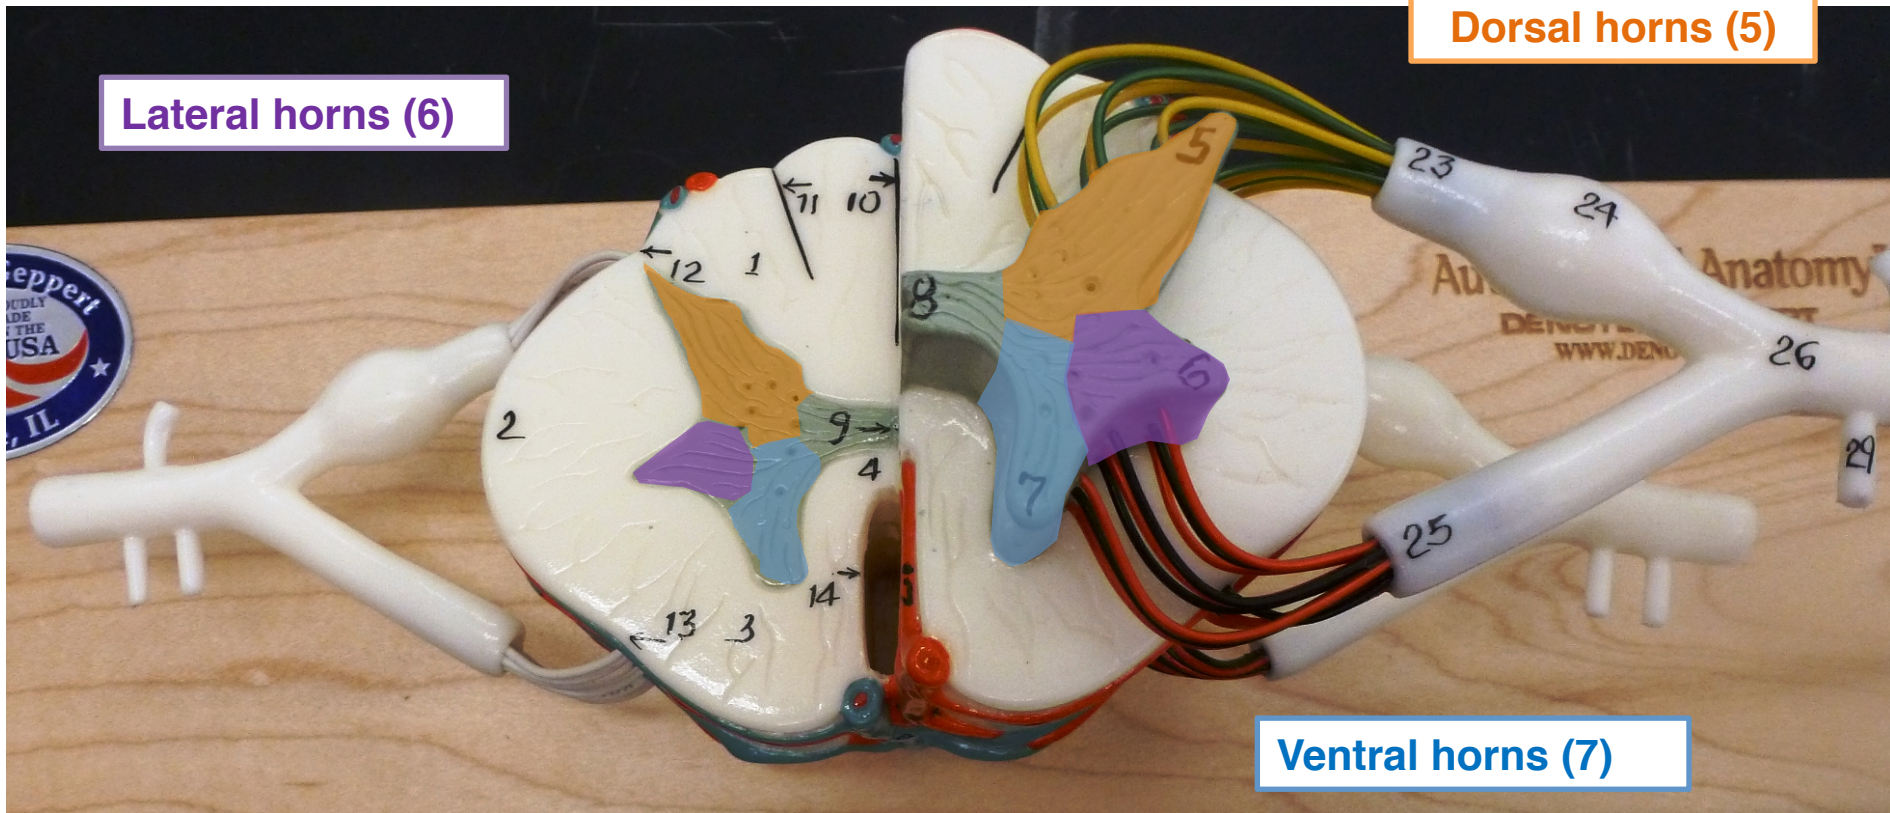

SPINAL CORD MODEL

Grey Matter
(5,6,7,& 8)

Dorsal horns (5)

Lateral horns (6)

Ventral horns (7)

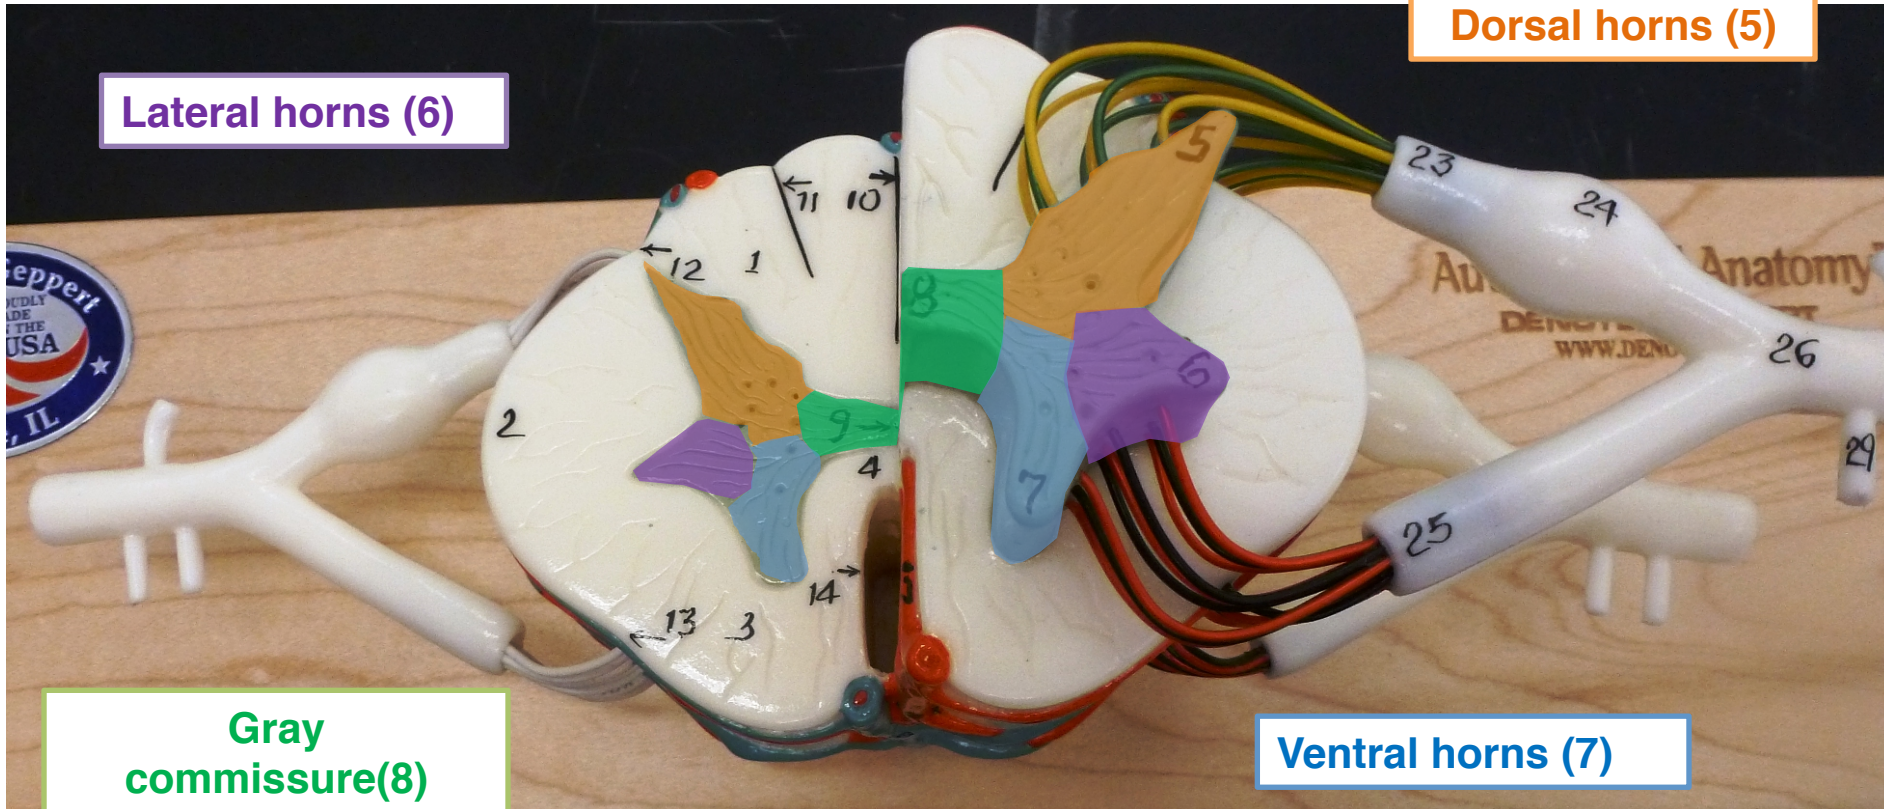

SPINAL CORD MODEL

Grey Matter
(5,6,7,& 8)

Central canal (9)
(The hole in the center of the
commissure)

Dorsal horns (5)

Lateral horns (6)

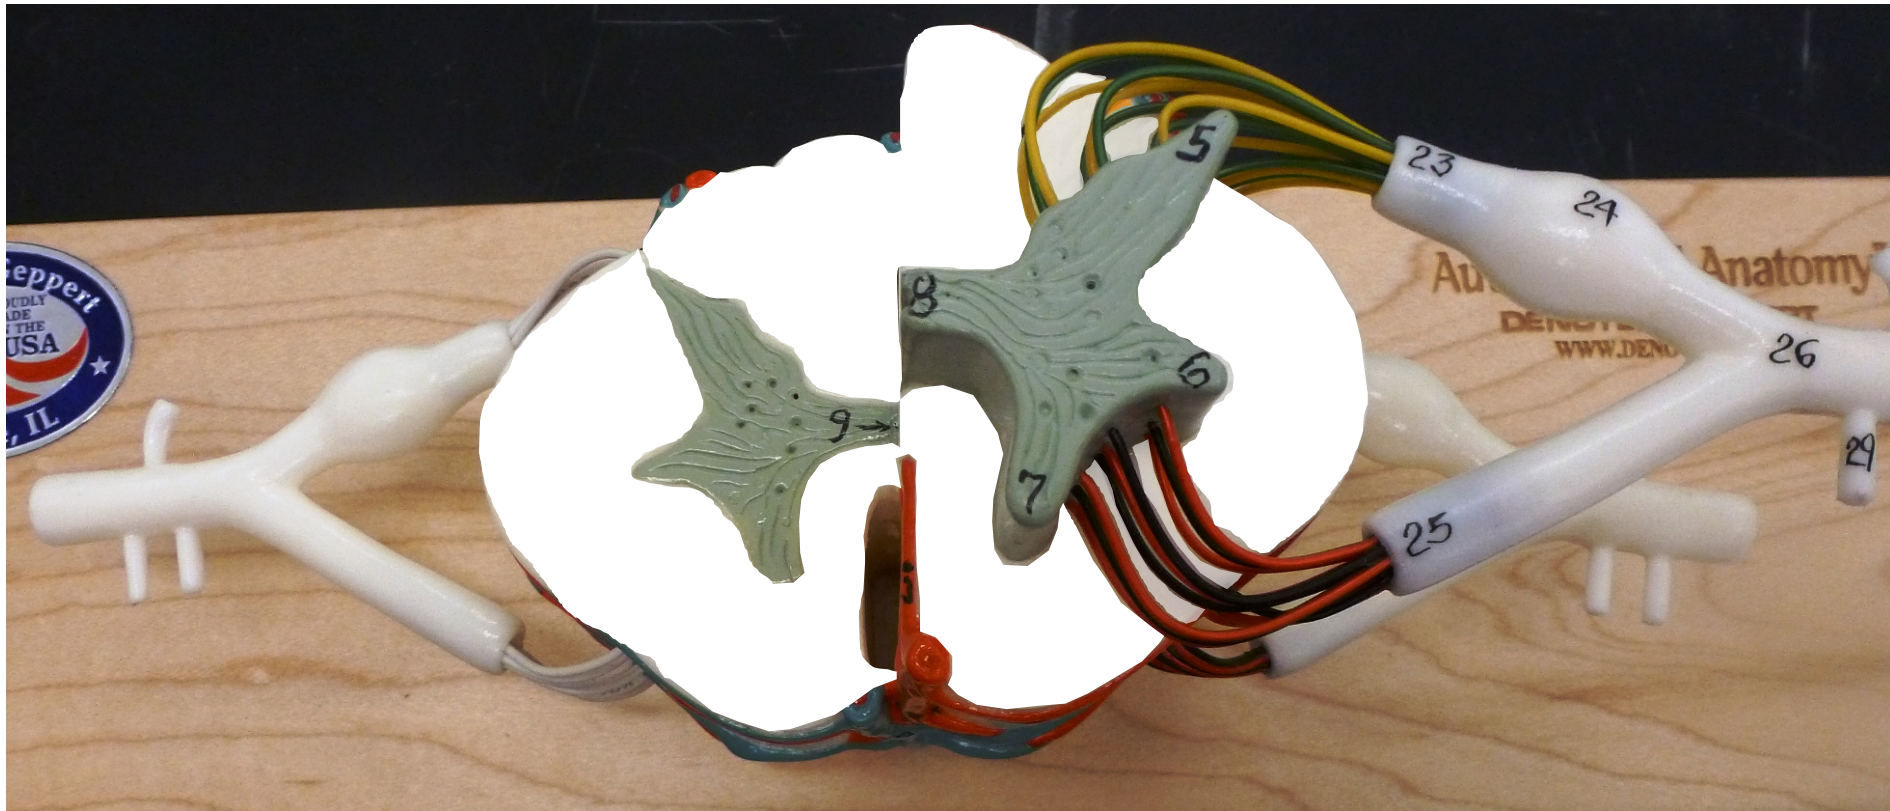

Gray
commissure(8)

Ventral horns (7)

SPINAL CORD MODEL

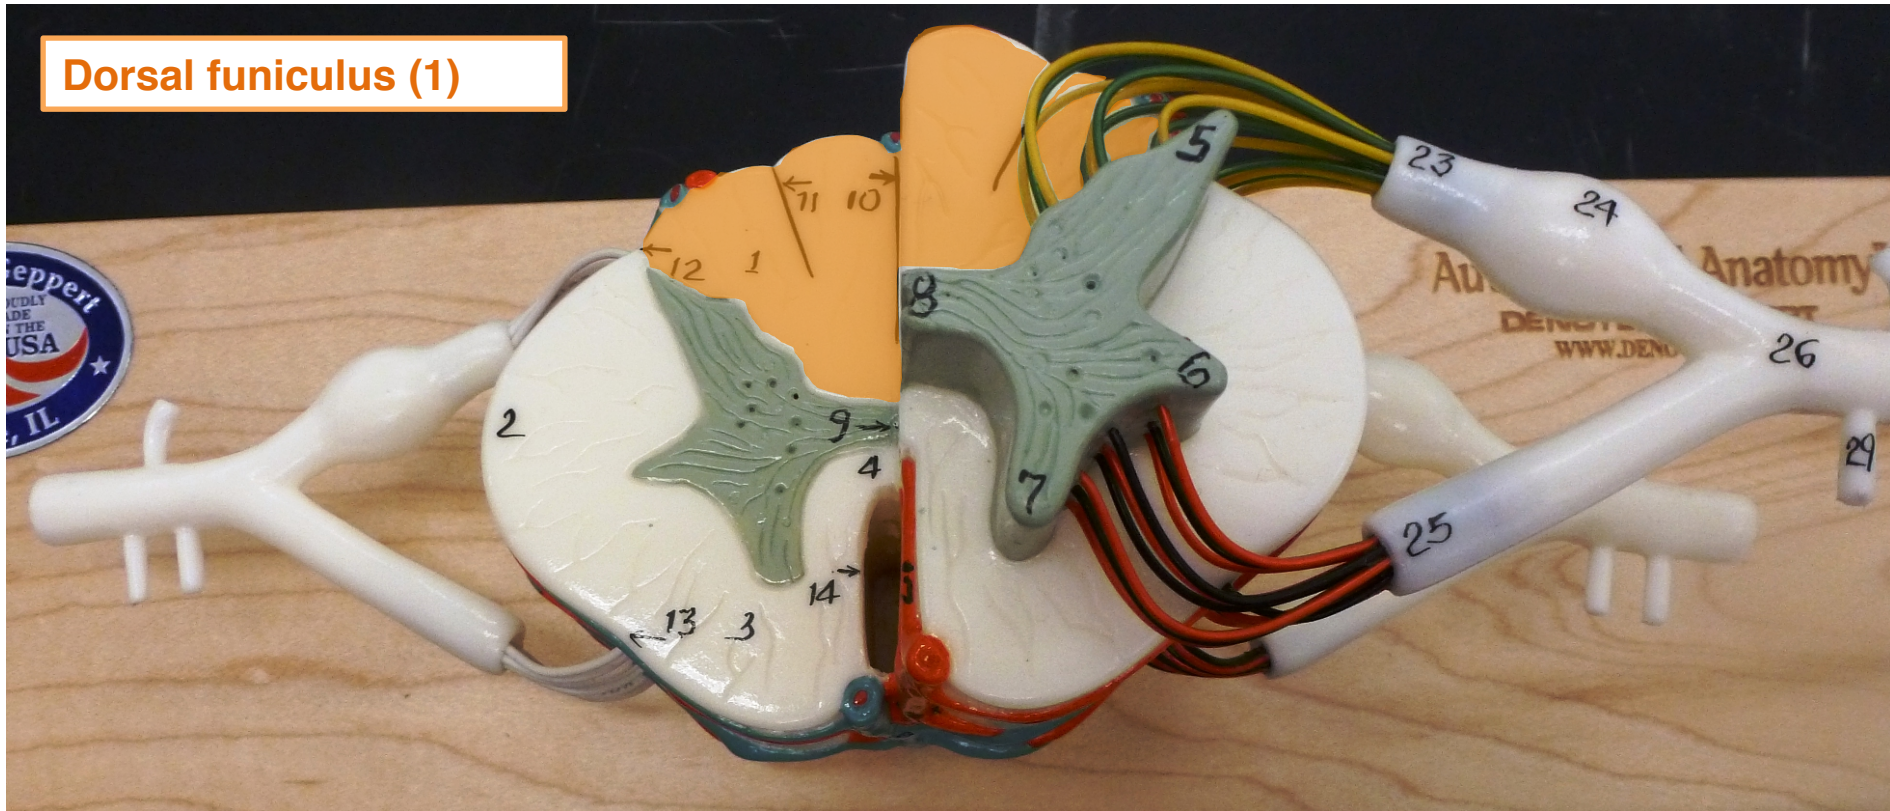

The White Matter
(1,2,& 3) together

SPINAL CORD MODEL

White Matter
(1,2,&3)

Dorsal funiculus (1)

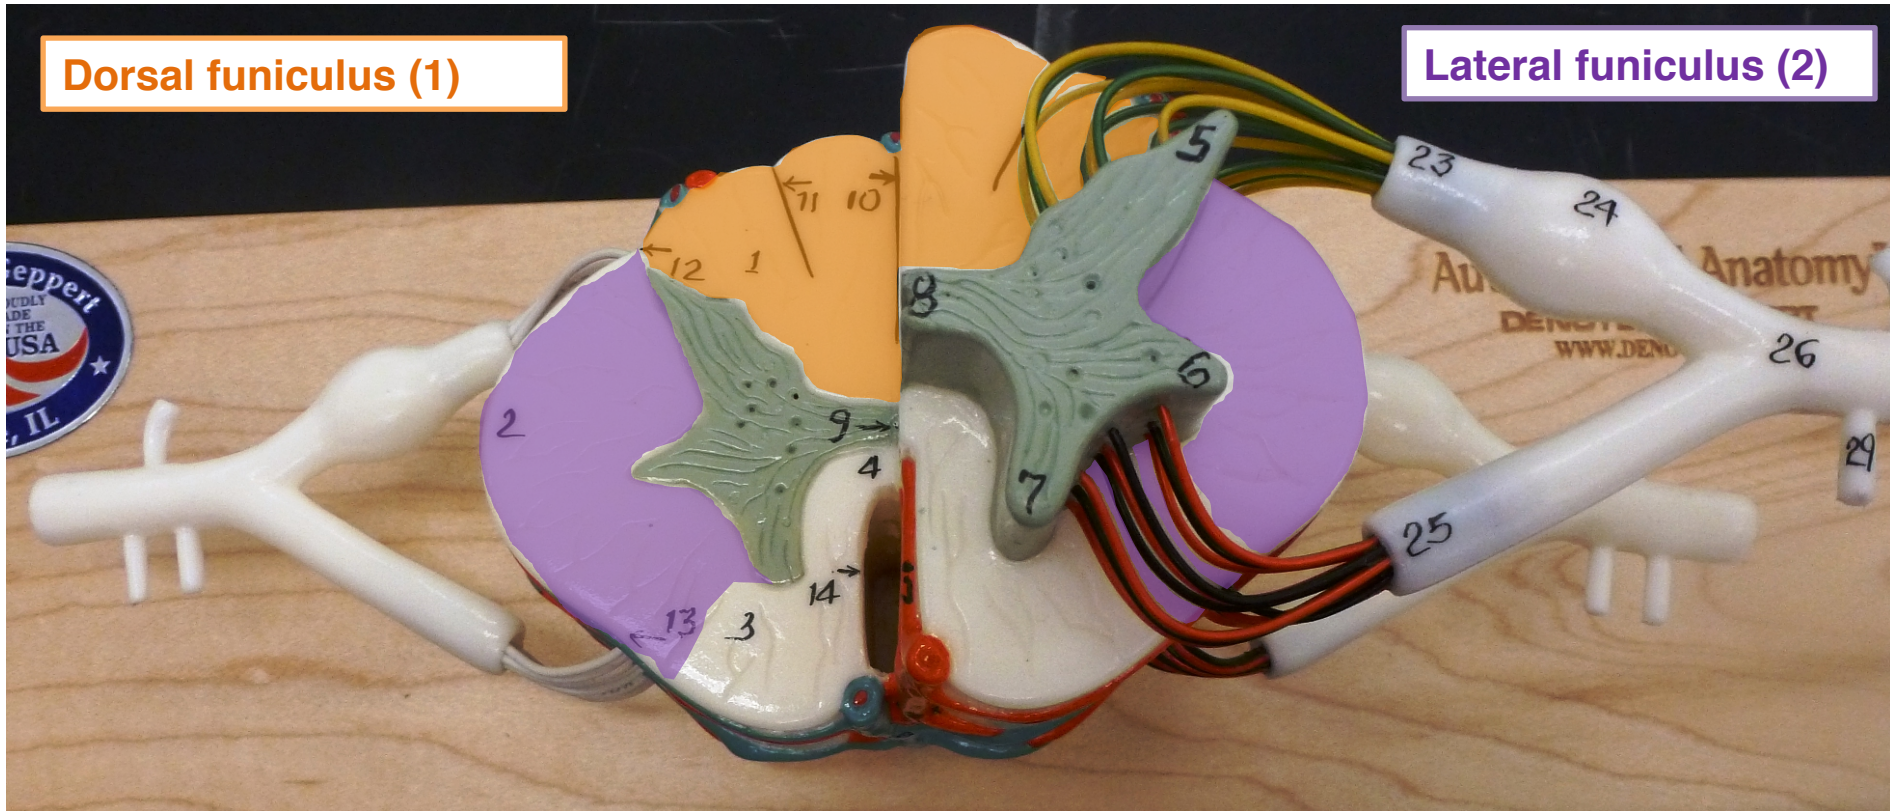

SPINAL CORD MODEL

White Matter
(1,2,&3)

Dorsal funiculus (1)

Lateral funiculus (2)

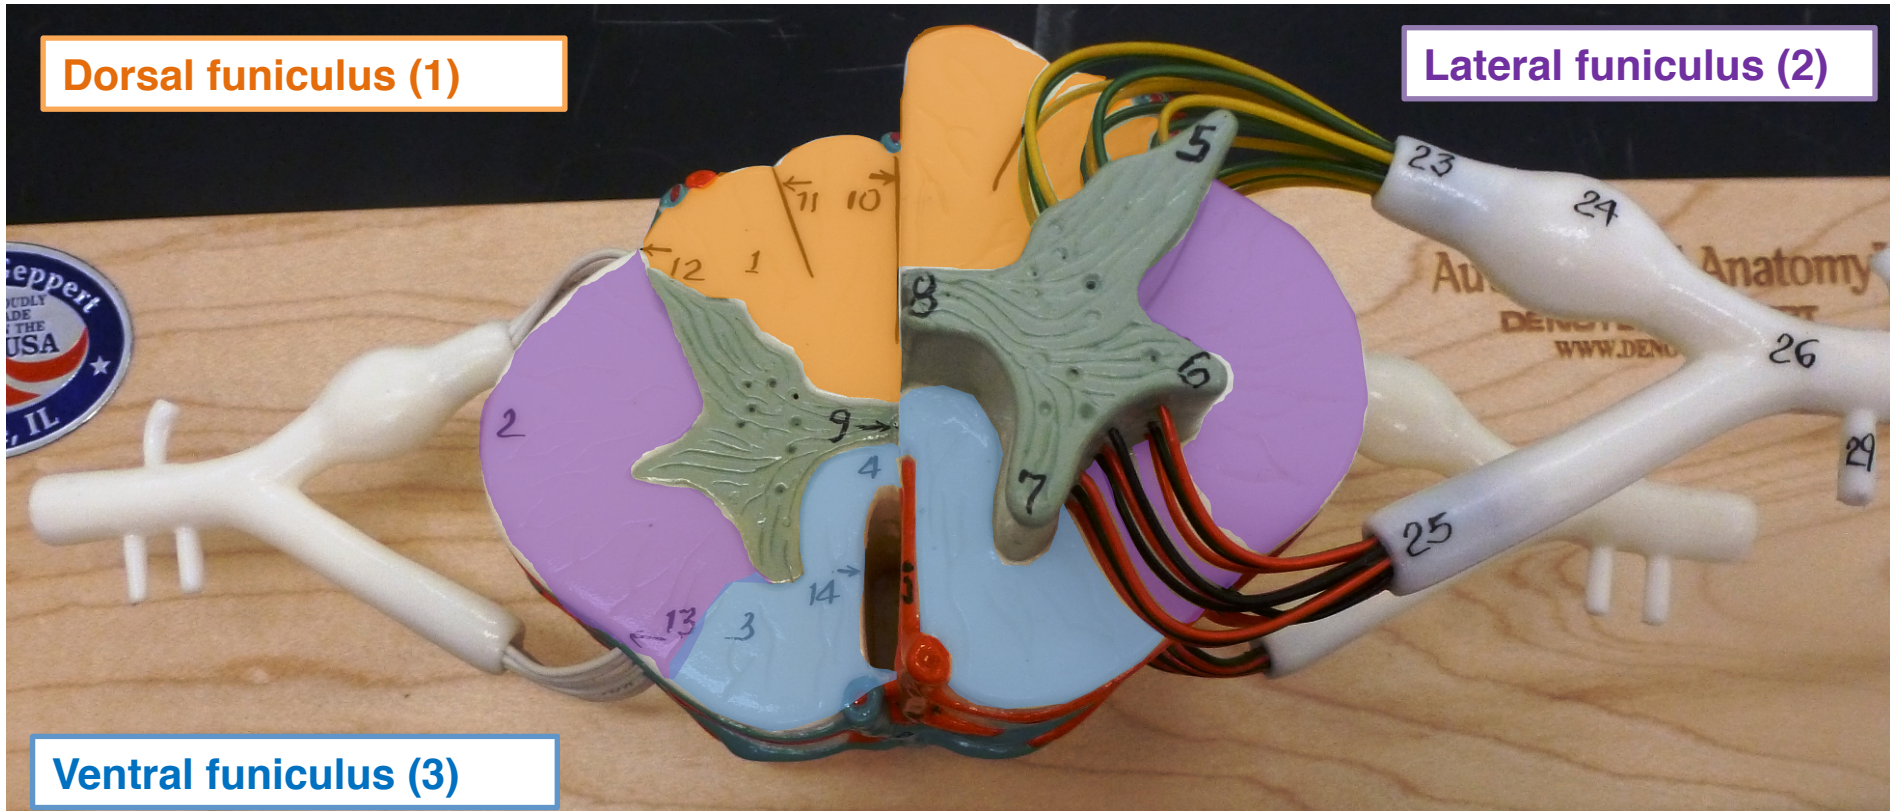

SPINAL CORD MODEL

White Matter
(1,2,&3)

Dorsal funiculus (1)

Lateral funiculus (2)

Ventral funiculus (3)

SPINAL CORD MODEL

**White Matter
(1,2,&3)**

Posterior median Sulcus (10)
(Sulcus in the middle of the dorsal
funiculus)

Dorsal funiculus (1)

Lateral funiculus (2)

Ventral funiculus (3)

Anterior median fissure (14)
(Fissure in the middle of the ventral
funiculus)
