

JOIN US FOR THE 2023-24 SEASON

AL•SO

Alabama Science Olympiad

Science Olympiad builds skills essential to today's science, technology, engineering and math (STEM) workforce. Students participate in 23 events to apply and display a wide variety of talents – from design and prototyping to technical writing to lab skills. Teams of 15-25 students tackle the events, encouraging collaboration and teamwork!

To register, visit: scilympiad.com/al
(\$75 for elementary team and \$225 for middle/high school team)
