Subject: ALCA Presentation Information

Hello Alexis and Kailee,

I hope this email finds you well. I wanted to go ahead and connect the two of you as we will be working together with Drs. Taylor and Flint on the ALCA Presentation which is a Pannel discussion about the CED doctoral program. I have included the proposal information below. I have reached out to Drs. Taylor and Flint to inquire about how they would like to proceed. The presentation will be on Thursday 11/21 1:30 – 2:45 PM CST. Let me know if you are still interested and if so I can connect all of us together to begin working.

Additionally, I received the following information from Dr. Reese. Please let me know what supports you need moving forward. Now I am not sure if that is per year or per semester so you may need to clarify as I think you will get a more clear response than I will in this instance.
"the College will provide up to $500 for a research conference presentation and SERC will provide up to $1000 - $1500 total."
