Important: You will need to resubmit the narrative as a PDF file with a cover page added that will then be included in the conference proceedings. The cover page should contain the following information and be centered on the page-poster abstract title, author name, mailing address, phone number, and e-mail address of the authors. The type of poster (Research or Innovative Idea) should be printed in the upper right-hand corner.

Please upload the final copy of your abstract for the proceedings using the link on the My Reviews page by Tuesday, January 3, 2023.
