Book Housing – Special rates have been negotiated at 21 hotels. Book your room today. Hotels fill up fast.

Please note: Spargo, Inc. is the official housing vendor for the APHA Annual Meeting and does not solicit. Tech-savvy scammers often make fake reservations and websites that look real. If you book through these sites, you run the risk of arriving and not having a hotel room. Use the housing link on this page <https://www.apha.org/Events-and-Meetings/Annual/Plan/Housing-and-Travel> and always make sure you are starting from an apha.org or jspargo.com web page when you begin your housing process. Never book from an email that does not come directly from an <http://apha.org> or <http://jspargo.com> email address.
