They said if I need to add co-presenters that I need to email uceagradconnex@gmail.com to let them know.

Do I need to do that?

Dear Candace:

Proposal Title: School Counselor-Principal Collaboration: Perceptions of Principal Preparation

The UCEA Graduate Student Summit Planning Team met virtually and completed the task of examining all the proposals and proposal reviews for the 12th Annual Graduate Student Summit at the 37th Annual UCEA Convention held at the Hyatt Regency in Minneapolis, Minnesota from November 16–18, 2023.

We are pleased to inform you that your proposal **School Counselor-Principal Collaboration: Perceptions of Principal Preparation** was **accepted** as a(n) **[paper/roundtable/ignite!]** session for inclusion in this year's GSS. *Congratulations on this accomplishment!*

You may access reviewer comments online via the [All Academic website](#).

As of now, **we are planning to hold all GSS sessions in-person on Wednesday, November 15, 2023**. The full program schedule, which will include information on the date, time, and location of your session, will be available in October.

Once again, on behalf of the GSS Planning Team, congratulations on the acceptance of your proposal. We appreciate your interest and support and look forward to seeing you in Minneapolis!

Sincerely,
The 2023 UCEA GSS Planning Team

Here are your next steps:

NOTIFY YOUR COAUTHORS

Please notify any co-presenters of this acceptance. If there are any corrections that need to be made to your title or list of co-presenters, contact the UCEA Graduate Student Council by September 15, 2023 at uceagradconnex@gmail.com.

If you need to withdraw for any reason, contact the UCEA Graduate Student Council immediately, as sessions have already been created and balanced. This is a professional courtesy to the GSS planners.

UPLOAD YOUR FINAL WORK

Your final papers and presentations must be uploaded to the [All Academic website](#) no later than three weeks prior to the Summit, which is **Wednesday, October 25, 2023**.

The Graduate Student Summit offers three session formats to feature high quality research and scholarly work: individual papers, Ignite! presentations, and roundtable discussions. Each of these formats involves different expectations about the mode of presentation. These expectations are delineated on the convention section of the UCEA website and in the Graduate Student Summit [Call for Proposals](#). All efforts were made to place your submission with similar topics.

Please see the specific details of your presentation type needs below:

- **Paper Presentation** – If your proposal has been accepted as a paper, the lead author should upload an advance copy (i.e., your final paper) into the All Academic system no later than October 25, 2023. This will allow your faculty facilitator to read your work in
