Dear Mary & Huan,

We are in! I hear the midwest is lovely in the fall. So now we can go ahead and register. I wasn't about to register until I heard that we were accepted. We can put the presentation together a little closer to the time.

Take care,  
Wendy

Acceptance for presentation at ISETL 2025

Dear Gwendolyn Williams,

I am pleased to inform you that your abstract 40 - Promoting Learning and Belonging through Mentoring Graduate Teaching Interns, has been accepted for Panel Session presentation at The ISETL Conference.

Guidelines for presentations will shortly be posted on the conference website at <https://www.isetl.org/conference-info/>. While we recognize that our call for proposals for research, panel, and practice sessions stated that presenters would have 45 minutes to present, we may need to adjust that time in order to accommodate the record number of excellent submissions we received. The amount of time allotted to different presentation types will be communicated with the final schedule after our registrations settle.

Please register for the conference as soon as possible, preferably by August 15, to confirm your participation. Registration must be completed online
