[EXT] ASMB Abstract Selected for Oral Presentation

To: Undisclosed recipients;

CAUTION: Email Originated Outside of Auburn.

Congratulations!!

Your abstract has been selected for oral presentation in the 2025 Advances in Skeletal Muscle Biology Conference held March 19-21, 2025 in Gainesville, FL. We are excited to have you as part of our program, thank you for your abstract submissions.

Please review the attached program and/or trainee blitz selection page to find your name and presentation title. Please make sure we do not have any typos or unintended errors on your name, title, etc. (report any that you find please). For those who submitted two abstracts, please take note which one was selected for presentation (only this one is permitted). Until all confirmations are received this is a draft program, please do not share/distribute.

This invitation to present is for the submitting author only, those on this email, and cannot be transferred to a mentor, lab mate, collaborator, etc. Please reply by January 20th that you accept this invitation to present your abstract.

Please let me know if you have any questions.

Sincerely,

Christa Stout
Administrative Coordinator
