Dear Laura,

Please tell us how you plan to present (onsite or remote) at the NCFR Conference by **completing the RSVP form by Tuesday, Aug. 15**. We are looking forward to your presentation!

Early-bird registration has been extended to **Thursday, August 10, 2023**. **Register today** to get the lowest rates of the year.

As you may have heard, NCFR has added a remote attendance option for its 2023 NCFR Annual Conference. Participants can now opt to attend either onsite at the Rosen Centre in Orlando, Florida, or from a remote location.

Most conference presenters will have the opportunity to present their work remotely. You can find more information about remote attendance here:
<https://www.ncfr.org/ncfr-2023/registration#remote>

All presenters must complete the RSVP form by Tuesday, Aug. 15. Here is the direct link:
<https://airtable.com/shrp85nUvftchExsg>

If you have further questions about presenting, please contact us at the emails below.

Sincerely,

Cindy Winter, CMP
NCFR Conference Consultant
