[EXT] Your APA 2024 poster proposal has been accepted!

Dear Brianna,

Thank you for submitting a poster proposal to Division 43 - Society for Couple and Family Psychology for presentation at APA 2024.

We are pleased to inform you that your proposal, Strong Black Woman Schema: A Relational Lens, has been accepted for presentation by Division 43 - Society for Couple and Family Psychology! APA 2024 will include many high-quality posters and we are excited to have yours among those being presented.

Note: If you submitted multiple proposals, you will receive separate notifications for each one.

Your poster will be listed in the official APA 2024 program with the title, author names, and their institutional affiliations. You will receive an email from APA in late April with the date, time, and location of your poster session.

You can also include your poster in the APA 2024 virtual poster hall. You will receive an email from APA in June with information about how to upload your poster and short explainer video to the virtual platform. Uploading your poster to the virtual hall is not required, but it does increase the longevity and visibility of your poster.

Please note that all poster presenters will need to register for APA 2024. Registration opens at 10 a.m. ET on April 24. Any member of the American Psychological Association of Graduate Students (APAGS) who is presenting as first author within a symposium or paper/poster session will have their registration fee waived if they register before July 1. (This is a one-time exemption for each APAGS member.)

If your plans have changed or one or more of your co-presenters is unable to attend APA 2024, notify the Division 43 - Society for Couple and Family Psychology [Program Chair](#).

Once again, thank you for your submission to Division 43 - Society for Couple and Family Psychology and congratulations!

Please pass along this notification to your co-authors, if applicable.
