APA 2025

Dear Silvia,

Thank you for submitting a poster proposal to Division 45 - Society for the Psychological Study of Culture, Ethnicity and Race for presentation at APA 2025.

We are pleased to inform you that your proposal, The influence of racial vigilance and everyday discrimination on Racial Thought, has been accepted for presentation by Division 45 - Society for the Psychological Study of Culture, Ethnicity and Race! APA 2025 will include many high-quality posters, and we are excited to have yours among those being presented.

Note: If you submitted multiple proposals, you will receive separate notifications for each one.

Your poster will be listed in the official APA 2025 program with the title, author names, and their institutional affiliations. You will receive an email from APA in late April with the date, time, and location of your poster session.

You can also include your poster in the APA 2025 virtual poster hall. You will receive an email from APA in June with information about how to upload your poster and short video to explain the virtual platform. Uploading your poster to the virtual hall is not required, but it does increase the longevity and visibility of your poster.

Please note that registration is required for all presenters attending APA 2025. Registration opens at 10 a.m. ET on April 23.

If your plans have changed or one or more of your co-presenters is unable to attend APA 2025, notify the Division 45 - Society for the Psychological Study of Culture, Ethnicity and Race [Program Chair](#).

Once again, thank you for your submission to Division 45 - Society for the Psychological Study of Culture, Ethnicity and Race and congratulations!

Please pass along this notification to your co-authors, if applicable.
