EXTJ Re: ALCA Graduate Poster Presentation Application

1

Hello, Alexis.

Congratulations!

Your proposal has been accepted for the 2023 Alabama Counseling Association (ALCA) Annual Conference - Graduate Student Poster Session, sponsored by Bradford Health Services. The ALCA Graduate Student Selection Committee received an overwhelming number of proposals for the conference, and we are pleased to include your presentation this year. We look forward to your work.

The 2023 conference is scheduled for November 15-17, 2023, in Birmingham. The poster session will be held in the pre-conference/registration area of the Sheraton Hotel.

Please note the following:

1. The poster session will be held on Thursday, November 16th, from 1:30 pm - 3:30 pm; however, we encourage you to attend the entire conference (Wednesday - Friday).
2. As the contact person (noted in the email submission), please make sure that if the proposal involves multiple presenters that **you** notify all presenters of this acceptance.
3. All presenters are encouraged to supply their own stand/easel for the poster session (limited supply available at the conference).
4. Presenters are responsible for developing and providing a brief one-page handout of your research to share with those who may inquire about your work or elect to use a QR code of your information.
5. A Graduate Student Reception will be held prior to the poster session on Thursday, November 16th, at 11:45 am, please make plans to attend.
6. **All poster session presenters must register to be members of ALCA (if not already a member) and register for the 2023 ALCA Annual Conference. You can find out more information regarding the conference and registration at - Annual Conference (alabamacounseling.org)**
7. Register before October 1, to secure the first-tier rate before prices increase.
