Hi Aaron, so nice to hear from you and thanks a lot for your really wonderful piece TRUST - I love the harmonies and it's genius to also use the piano!

I just gave the solo part to one of my master students and will follow everything up next week when I'm back at school in Stockholm (I live in Gothenburg, second city in Sweden, where I also teach in the university).

The 15th of May the world percussion group with Michael Burritt visit us in Stockholm and I will work for the possibility to play TRUST in this concert.

On the 28th of May my master student will play his exam concert and we plan to play it again.

Thanks so much for your kind word about Cosmic Travel, my new quartet.

I've had the idea last year and finally during Christmas I had time to compose :)

Warm regards

Daniel Berg
