Tue 11/5/2019 9:14 AM

To: Ashleigh Higgins <akh0048@auburn.edu>

Dear Kaitlyn Higgins,

Thank you for submitting a proposal for the 2020 SHAPE America National Convention in Salt Lake City, UT. After an extensive review by members of the SHAPE America Research Committee, we are pleased to inform you that the following proposal has been accepted for presentation at the 2020 SHAPE America National Convention & Expo.

**ID No.:** 2215

**Type:** Oral

**Title:** Therapeutic Riding: A horse, of course!

***As the proposal planner, please communicate this letter of acceptance to all other participants on your program.***

Congratulations! While the convention organizing team makes every effort to accommodate your requested type of presentation (i.e., oral, poster, roundtable), there are numerous factors that go into organizing thematic sessions, including conference space, variance in the topics of individual proposals, etc. Thus, there is a chance that your specific proposal acceptance type may be different from what you submitted in your proposal. **Please be mindful of what your actual presentation format will be (see "Type" above).**

Upon submitting your proposal, you and any co-presenters/co-authors committed to attending and presenting the proposed research upon acceptance of the proposal. This notice of acceptance of your proposal serves as a reminder of this commitment. We fully understand that there may be last minute extenuating circumstances that prevent you from attending the national convention. However, failure to notify SHAPE America Convention Team via an email to [proposals@shapeamerica.org](mailto:proposals@shapeamerica.org) about not presenting the accepted research presentation(s) may result in not being eligible to present at future SHAPE America National Conventions & Expos for a specified time period.

Final session details including date, time, and the location of your session will be sent to you via email in the coming weeks as well as posted to the SHAPE America website (<https://convention.shapeamerica.org/>).

We are honored to have you be a part of our 2020 SHAPE America National Convention & Expo and look forward to seeing you in Salt Lake City!

Sincerely,

SHAPE America Strategic Partnerships, Social Impact & Education Department
