Subject: Your 2018 NASPA Assessment and Persistence Conference Proposal

Dear Abbygail,

We are pleased to **accept** your program proposal, *Enhancing Student Affairs Effectiveness Reports: Incorporating Meta-Assessment* (53827), as a session for the [2018 NASPA Assessment and Persistence Conference](#) to be held June 14-16, 2018 in Baltimore, Maryland. Our goal was to select those proposals that recognized the conference theme, represented a variety of topics, presenter and geographic diversity, as well as to reflect the different types of institutions of higher learning. Programs like the one you have proposed will help us better understand innovative solutions to the many challenges facing us. Please share the news with any co-presenters as this message was only shared with the coordinating presenter.

We hope the comments will provide helpful insight as you continue to think about the program and to make final preparations for the conference. As we prepare the copy for the Conference Program, we may edit both the abstract and program title. If changes are made, they will be minor. Editing is for clarity, congruency, and maximum interest. Program titles may be edited to bring them in line with the content of the abstract. If you have questions about this process please contact Tiki Ayiku at tayiku@naspa.org.

PROGRAM LOGISTICS:

Hotel information is available on our [event page](#) and remind you to book your room prior to **Thursday, May 24, 2018** to secure the best room rate. All conference presentations will take place at:

ONE FINAL NOTE:
