Subject: SAIR 2018 Proposal Acceptance

Dr. Abbygail Langham

Mrs. Emily Wilkins

I am pleased to inform you that your proposal entitled "Enhancing Co-Curricular Effectiveness Reports: Incorporating Meta-Assessment" has been accepted as a concurrent session for the 2018 annual conference of the Southern Association for Institutional Research.

Congratulations!

As you (and your co-presenters) begin to plan your trip to Norfolk, please thoroughly review information provided on the [conference website](#), especially with regards to the conference schedule. Your session could be as early as 8:30 am on Monday, October 8 or as late as 11 am on Tuesday, October 9.

Please note that all presenters must be registered for the conference. A link to registration is available through the [conference website](#). You may also wish to reserve a room at our conference hotel, the Norfolk Waterside Marriott - a link

for a discounted reservation can also be found on the conference website.

I will be in contact with you again later in August to confirm session details such as title, abstract, and co-presenters, where you will be provided the opportunity to edit those fields prior to printing of the conference program.

Please do not hesitate to contact me if you have any questions. I sincerely appreciate your professional contribution to this year's SAIR conference!

Sincerely,
Dr. Julie Fulgham
2018 SAIR Conference Program Chair
