GRADUATE SCHOOL

Dear Emily B. Wilkins,

Recently, you submitted an application for the Graduate School's Graduate Research and Travel Fellowship for your upcoming conference, 2018 NASPA Assessment and Persistence Conference. With many applications and extremely limited funds, this is a very competitive process and you unfortunately were not chosen for one of the Fellowships for this period. Additionally, any applications submitted after the deadline or which were not in compliance with the application [Guidelines](#) were not considered.

You are invited to submit a Graduate Research and Travel Fellowship application a maximum of once per travel period until being awarded a Fellowship during any fiscal year.

We at the Graduate School wish you the very best at your conference and in your future research endeavors.
