

Dear 2020 ALCA Annual Conference Content Session Presenter:

CONGRATULATIONS! Your program proposal has been chosen as a content session for the 2020 ALCA Annual Conference! The ALCA Program Selection Committee members received an impressive number of proposals for the 2020 Annual Conference and we are pleased to include your proposal as a content session.

The 2020 Conference is set for November 18-20, 2020, to be held for the first time ever online as a Virtual Conference. The Virtual host is a television production company and prior to the conference presenters will work with an ALCA Call Moderator to do a brief practice session to check the presenter's lighting, sound, Ethernet cord connection, equipment, etc. You will be assigned to a specific Call Moderator who will guide you through the practice run as well as meet you virtually in the "Green Room" 10 minutes before your presentation start time in order to assist the host for your assigned room in getting everything started on time and hopefully without any glitches. Your PowerPoint slides will be on screen and you will also appear on screen during your presentation.

Your professional contribution is an invaluable service to ALCA members and we thank you for your willingness to be a program presenter, especially during our first Virtual Conference. Below you will find the title of your accepted proposal along with the time of presentation. Room assignment will be provided to you at a later date. As an important reminder, please be aware of the following:

All program presenters and panel members must register for the ALCA Annual Conference.

All Program presenters must have current membership with ALCA.

The total length of each content session presentation will be 1 HOUR.

All presenters will need to provide their own computer equipment to present as well as their own internet connection. All presenters will need an Ethernet cord to connect directly into their internet modem at the site where you plan to present. This is required by the virtual host and is set in place to avoid presenter Wi-Fi connection problems. We all want this to run well!

Please review the key information from your proposal submission (below) for accuracy and email confirmation of acceptance of the Content Session presentation to ytyre@liberty.edu . Please send any corrections to ytyre@liberty.edu within 5 days of your receipt of this notice. If no confirmation is received, ALCA will assume your participation and the accuracy of the information below (as provided from the proposal) is correct.

As the primary contact person (program chair noted on the proposal) please make sure that if the proposal involved multiple presenters of the session that **you notify all co-presenters** of this program proposal approval and subsequent responsibilities.

Presenters are responsible for the development of their own virtual handouts and are asked to provide those to alca@alabamacounseling.org no later than November 8, 2020 so they may be placed on the ALCA website and be made available.

Upon confirmation of acceptance of the Content Session presentation, you are acknowledging your obligation to abide by the ACA Code of Ethics. Further, you are accepting the responsibility to ensure that all information provided in your presentation, including the words and actions of yourself and your co-presenters, reflect and uphold the ACA Code of Ethics (www.counseling.org/ethics).

Please contact Dr. Nancy Fox for information regarding accommodations for individuals with disabilities at alca@alabamacounseling.org.

Should you have questions about this, please contact me at ytyre@liberty.edu. The virtual conference is a new opportunity for all of us. The Alabama Counseling Association is excited about your service to the association and we look forward to having you be a part of the first ALCA Annual Conference held online in a Virtual format. This is an exciting moment in ALCA's history and you are an important part of that history!

Sincerely,
Dr. Yulanda Tyre, LPC-S, NBCC
2020 ALCA President-Elect & Program Selection Chair

Content Session Title	Date/Time
Breaking Down Walls of Suicide Ideation in Adolescents	Thursday, November 19, 2020 Time: 2:20-3:20

Description must be 35 words or less Please Modify If Needed:

Fill your toolbox by engaging in brainstorming, role play, and discussions to dismantle suicidal ideation in adolescents. Develop confidence in implementing various preventative measures that will enhance your skills in communicating with families.
