

July 29, 2022

Dear Breanna Mueller:

I am pleased to inform you that your abstract titled "**Effects Of Aging And Long-term Physical Activity On Mitochondrial Complex Activities In Female Rat Brain**" has been selected for presentation in a poster session at ACSM's Integrative Physiology of Exercise Conference. The conference will take place at the Hilton Baltimore Inner Harbor in Baltimore, MD (USA), Sept. 21-24, 2022, and will kick off with a keynote address at 7 p.m. EDT, followed by a welcome reception from 8 to 9:30 p.m. EDT. [Conference symposia and poster sessions will be held daily.](#)

IMPORTANT: Your abstract is scheduled to be presented at the following date, time, room and poster board #.

Session Start: 9/22/2022 1:00:00 PM

Session End: 9/22/2022 3:00:00 PM

Location: Key Ballroom 6

Poster Board #: 11

Mount your poster on the display board of the corresponding poster board number (listed above) on this day from 12:30 to 1 p.m. The poster session will open for viewing starting at 1 p.m. You are required to be present at your poster from 1 to 3 p.m. Please take down your poster at the end of the session so the board is ready for the next presenter. Any posters left on the board will be discarded.

Please prepare your poster [according to these instructions](#).

Your presentation date and time cannot be changed, and your abstract submission confirmed that you intend to be present at the conference to present your data. You or a co-author are expected to be on-site to present and defend your poster during the assigned session.

Meeting Registration: For the most savings, [register](#) by the **early-bird deadline of Aug. 10**.

As an abstract presenter, you are responsible for paying the registration fee, as well as all other travel costs associated with attending this conference.

Hotel room reservations are available on a first come, first served basis. We encourage you to make these arrangements at your earliest convenience. [Book now](#) through Aug. 30 for the discounted lodging rate.

Please direct any questions to [Danielle Apostolidis](#) at ACSM.

Thank you for your contribution to the program - we look forward to your presentation.

Sincerely,

Scott K. Powers, Ed.D., Ph.D., FACSM

2022 Chair, ACSM Integrative Physiology of Exercise Conference
