Subject: 2026 PSI Poster Notification

Para traducción, por favor comuníquese con la Oficina Ejecutiva de PSI y lo conectaremos con una persona.

Dear Katilya Ware,

Congratulations! We are pleased to notify you that the PSI Conference Program Committee has accepted your poster entitled ***Beyond Six Weeks: Mapping the Evidence on Opioid-Related Deaths During the Extended Postpartum Period*** for presentation at the 39th Annual PSI Conference taking place June 25 - 28, 2026. PSI will take place in person at the Westin Bonaventure in Los Angeles, CA. **All presenters must deliver a live, in-person presentation. There will not be a virtual option.**

Please note, each presenter will be limited to one poster presentation at this year's conference. If you have been accepted for more than one poster presentation, you may combine content from a maximum of two proposals on one poster where appropriate. If you need to change or withdraw your presentation, please

[complete this form](#) to let us know.

Acceptance of this poster presentation is dependent on your registration prior to the deadline of Friday, April 10, 2026. After this date, we will schedule posters for individuals that have registered and will send poster specifications at that time.

Registration is now open! To register, please follow this link: <https://psi.societyconference.com/>

Should you have any questions regarding the conference or poster submission, please contact Kayla Hill at psiconference@parthenonmgmt.com in the Executive Office.

Kindly,

2026 PSI Conference Program Committee
