Hi Chase,

I apologize for the tardy response. I have been out of town since last week participating in the National College Music Society Conference and just returned late last night (Sunday). I'm working hard today to catch up on email correspondence and other professional responsibilities.

Congratulations! Our Proposal was accepted. See details below.

I'll send a separate email to both you and Fatemeh so we can schedule a time to talk about the presentation, travel arrangements, etc.

Best Wishes!
Dr. Barry
