Session facilitators play a large role in how seamless a session is presented. We are always looking for great individuals to assist our presenters with their sessions. If you are looking to have a one-on-one connection with a presenter and want to be involved in the conference, please contact Dena Harrison at dharrison@amle.org and become an official #AMLE19 Facilitator. **Students are provided with reduced registration rates in exchange for facilitating two sessions at the conference.*
