Subject: MLER Roundtable

Dear Dr. Virtue:

Congratulations! On behalf of the Middle Level Education Research Special Interest Group, we are pleased to inform you that your proposal has been accepted for the *Middle Level Education Research Roundtable: Connecting Theory with Practice* session at the Association for Middle Level Education Annual Meeting, November 7-9, 2019, in Nashville, Tennessee. We are very excited about the strong slate of presentations, and we look forward to your participation.

Presentation title: The *International Handbook of Middle Level Education Theory, Research, and Policy*: An Introduction and Overview

Presenters: David Virtue, Gail Harper Yeilding

This notice of acceptance is only being sent to you, the lead presenter. Please forward this announcement to any co-presenters who were included on your proposal. As presenters in this session, AMLE is extending the opportunity for you and your co-presenters to register for the conference at the presenter rate. In the next few weeks, you will receive email correspondence from AMLE providing you with registration instructions.

In addition, you will receive specific details from us regarding the session format once the room arrangement and schedule are confirmed with AMLE. In general, you should plan a roundtable presentation approximately 15-20 minutes in length including time for discussion. You should also prepare a one-page research summary to distribute to those who attend your presentation. You will give your presentation one time during the session.

To assist us with planning, please indicate your intention to participate in the session by replying to this email. Thank you for your interest in this session sponsored by the Middle Level Education Research Special Interest Group. We look forward to your attendance at the conference and your participation at the roundtable.

Sincerely,

Shawn Faulkner
