***** Proof of vaccination required to attend in San Diego *****

As part of the entry requirements for the 2022 AERA Annual Meeting, **all attendees must be fully vaccinated with a booster to attend in person.** All place-based attendees will need to upload their vaccination card through the CLEAR App on your smartphone.

- AERA has partnered with CLEAR to utilize the Health Pass feature, to provide easy proof of COVID-related health insights for faster entry. To get started, download the CLEAR app on your smartphone and enroll for free using your **NOAH ID/Contact #/AERA # 1046289**: https://clear.app/link/AERA_AnnualMeeting2022

- For the most efficient entry possible, all attendees should create a free CLEAR account and complete the checklist for entry requirements.
- Trust and transparency are CLEAR's top priority, and with Health Pass, users are always in control of their health information. Personal information is only used to deliver a frictionless and secure experience with CLEAR and AERA. You can read more details about this in CLEAR's Privacy Policy [here](#).
- If you have any questions about enrolling in CLEAR, please reach out to memberservices@clearme.com or tap "Get In Touch" in the app for assistance.
- Need further assistance with Health Pass? Contact CLEAR's Member Care team directly in the CLEAR app, by calling 1-855-CLEARME (253-2763), or through email at memberservices@clearme.com
- See how easy it is to link your proof of vaccination: <https://vimeo.com/619187559/d957d028b6>
- The masking requirement will remain in place unless guidance from public health authorities leading up to the Annual Meeting recommends that the AERA Council revisit this policy.

All foreign national air travelers to the United States will be required to be fully vaccinated and to provide proof of vaccination status prior to boarding an airplane to fly to the United States, with only limited exceptions. The CDC has determined that for the purposes of entry into the United States, vaccines accepted will include those FDA approved or authorized, as well as vaccines with an emergency use listing (EUL) from the World Health Organization (WHO). See the CDC's [website](#) for more details.

Additionally, before boarding a flight to the United States, air travelers aged two and older, regardless of nationality or vaccination status, are required to show documentation of a negative viral test result taken within one day of the flight's departure. You must show your negative result to the airline before you board your flight. That includes all travelers - U.S. citizens, lawful permanent residents (LPRs), and foreign nationals.

If you recently recovered from COVID-19, you may instead travel with documentation of recovery from COVID-19 (i.e., your positive COVID-19 viral test result on a sample taken no more than 90 days before the flight's departure from a foreign country, and a letter from a licensed healthcare provider or a public health official stating that you were cleared to travel).

The masking requirement will remain in place unless guidance from public health authorities leading up to the Annual Meeting recommends that the AERA Council revisit this policy.

CANCELLATION POLICY

Registration fees and/or Professional Development course fees will be refunded, less a \$25 service charge, if a written request is received at the AERA Registration Bureau by March 20, 2022. Written requests can be e-mailed to aerameetings@expologic.com or faxed to 866-518-9751. AERA regrets that refunds for registration and Professional Development courses will not be made after March 20, 2022. It is the policy of AERA that registration is not transferable. For questions, call 800-893-7950 or 484-751-5136 or email aerameetings@expologic.com.

TRAVEL DISCOUNTS and CHILD CARE SERVICES

Travel Discounts:

AERA has partnered with Association Travel Concepts (ATC) to provide attendees with select discounts on Delta Airlines, Amtrak, and select car rental companies. [Visit our website here](#) to view all available discounts.

Child Care Services:

Due to concerns regarding COVID-19 child care services will not be provided for the 2022 Annual Meeting.
