Dear Hairui,

Thank you for your submission to aiesep2019.

Following review by the Programme Committee, I am pleased to inform you that your submission entitled '**The Impact of a Sport Education Tennis Season on College Students' Leisure Time Tennis practice**' has been accepted for **Poster Presentation presentation** at the conference - congratulations.

You will find comments from the reviewers by logging in to your [aiesep2019 Dashboard](#) and clicking on the 'View All Decisions' prompt from your card. Please take these comments into account when preparing the final camera-ready version of your paper. Full details about how to submit your final paper and how to register for the conference will be circulated in a separate e-mail.

We hope that you can also take the time at this point to confirm the RSVP for your submission. This RSVP confirms the presence only of your submission at the conference, not of your own personal attendance. You can respond to the RSVP by clicking the 'Submit my RSVP' prompt from your card or using this link: [RSVP your Submission](#). You (or your co-authors) can confirm or decline the attendance of your

submission at any point until **Monday, 20th May 2019 @ 23:59
America/New_York.**

Again, congratulations on your acceptance. We look forward to meeting you at
aiesep2019!

Yours Sincerely,

Sarah Doolittle, Chair of the Scientific Committee
