To:Jeremy McAdam <jsm0039@tigermail.auburn.edu>;

Dear Jeremy,

Thank you for registering for the 4th International Congress on Soldiers' Physical Performance (ICSPP2017) to confirm your participation in the program.

Details for your **oral presentation** at the congress is outlined below.

Title	Impact of whey protein supplementation on fitness performance, body composition and injury rates in Army Initial Entry Soldiers
Session Details	Free Communication Session 8 Nov 29, 2017 2:00 PM - 3:30 PM Room 104
Presentation Time	3:00 PM - 3:15 PM

The full program is now available online.

In a Free Communication Session, each oral presenter is allocated a total of 15 minutes including question and answer time (i.e. 12 minute presentation + 3 minutes Q&A). As a courtesy to other speakers in your session and to ensure the program runs to time.

Speakers are requested to report to the speaker preparation room at least 2 hours before their scheduled presentation with their presentation on a USB to allow sufficient time to upload and check their audiovisual presentations with the technician. If you wish to use your own Mac, please bring your own connections. Please note that the optimal screen ratio for Powerpoint presentations is 16:9. To change the aspect ratio go to the Design tab and select Page Setup.

Please go to your allocated room at least 15 minutes before the session start time to meet with the Session Chair and familiarise yourself with the room and AV.

Please do not hesitate to contact us if you need clarification on any part of this letter, or the congress in general.

We look forward to your participation at ICSPP2017.

Yours sincerely,

ICSPP2017 Congress Secretariat

Dear Jeremy,

Thank you for your submission for a presentation at the 4th International Congress on Soldiers' Physical Performance (ICSPP2017) to be held in Melbourne, from 28 November – 1 December 2017.

We are pleased to inform you that your abstract submission listed below has been accepted for an Oral presentation. Each oral presenter will be allocated a total of 15 minutes including question and answer time (i.e. 12 minute presentation + 3 minutes Q&A).

Presentations

Title	Impact of whey protein supplementation on fitness
	performance, body composition and injury rates in Army
	Initial Entry Soldiers
	\

Accept and confirm attendance in program

To confirm your acceptance of our offer, you now must register for the Congress by 8 September 2017. Please note that you will not be entered into the program until you have registered and paid the registration fees.

Decline attendance

If you are no longer able to attend the Congress, please advise the Secretariat in writing via email.

Registration

To register to attend please follow the registration link: ICSPP2017 - Online Registration Form

ICSPP-CISM Best Oral Presentation Award

The ICSPP-CISM Best Oral Presentation Award recognises excellence in military physical and physiological performance research. All accepted oral presentations (from both free communication and thematic sessions) are eligible and will be evaluated on research quality, originality of the work presented, content clarity, presentation / design. The award will be decided at the end of the congress and announced at the congress networking function.

not nesitate to contact the Secretariat at apstracts@icspp-australia2017.org

Kindest Regards,

ICSPP2017 Congress Secretariat
