Registration Information and Rates

The 2023 Annual Meeting will be dual-component with sessions offered on-site in Chicago April 13-16 and other sessions and select recordings from in-person events provided virtually on May 4-5.

Register before the early bird deadline on March 10!

Participants who register for the place-based meeting in Chicago are also registered for and able to attend the virtual component. Those registered for the virtual component will experience Presidential sessions and major plenaries with cross-cutting, as well as networking opportunities and a special closing event. They will have access to major livestreamed sessions from the place-based meeting in Chicago and recordings of place-based sessions in the online platform's video library. All webstreamed sessions will be housed on the platform.

AERA registration is now open. All registration services are being provided through AERA. To obtain help with your registration, please contact the AERA Registration Support Team on weekdays between 8 am and 6 pm at registration@aera.net or call 202-238-3200 and select Option 3. Registration must be completed before access to the housing portal can be obtained.

Pronouns

AERA is committed to diversity and inclusion and strives to make our annual meeting a friendly and affirming environment for all. If you would like your pronouns (e.g., she/her/hers, he/him/his, they/them/theirs) to be listed on your badge, please edit your pronouns under Profile on the Contact Info tab. You can also change this information any time after registration by visiting your Profile accessible from the My AERA page.

Registration Requirement

It is the policy of AERA that all persons in attendance at the 2023 AERA Annual Meeting and Exhibition, including participants who plan to attend one or more sessions, are required to register. This includes presenters, invited speakers, chairs, and discussants. Registration is not transferable. You must be registered for the Annual Meeting in order to purchase tickets to attend courses and events.

AERA's policy is that each paper must have one or more presenting authors and that all presenting authors must register for the Annual Meeting no later than the designated date, which is now March 10. Individuals who are not listed as presenting authors cannot present at the Annual Meeting. If a presenting author does not register for the meeting by March 10, their name will be removed as a presenting author. If no presenting author for a session has registered by March 10, the paper will be removed from the program.

AERA Member Rate

*In order to qualify for the AERA registration member rate, your membership must be current through 2023. This means that if your membership expired in December 2022, you must renew your membership for 2023 **prior to the time of registration in order to qualify for the member rate.** Adjustments and/or refunds for registration fees will not be given to individuals who register at the non-member rate and later join AERA.*

If you do not have 2023 AERA membership, consider obtaining it first by clicking **Join/Renew AERA** on the **My AERA** page to receive the deeply discounted member registration fee.

If you forgot your username or password, please select **Forgot Your User Name and/or Password?** to reset. If you do not have an AERA account, please select **Activate or Create My Account** and use your NOAH ID/CONTACT #/AERA # to create a username and password.

Vaccination Policy, Masking, and Tests

All attendees must have **UP-TO-DATE VACCINATION** and **at least one booster to attend in person (if eligible)**. Mask wearing is strongly encouraged, but not required, in common areas. We expect attendees will be unmasked while eating or drinking. Mutual respect and health and safety remain priority goals. Prior to traveling to Chicago, we encourage attendees to self-test as a precaution.

Registration Rates

AERA strongly encourages registering for the Annual Meeting before the early bird deadline of March 10.
