Subject: [EXT] Status of your proposal for APA convention (ind222449)

CAUTION: Email Originated Outside of Auburn.

Dear Submitter,

Congratulations! Division 1 of the APA is pleased to inform you that your proposal has been accepted for presentation at the 2022 Convention in Minneapolis, MN after a careful review by our program committee. Please be sure to share the good news with your coauthors.

Poster selections are based on the recommendations of anonymous reviewers, and their comments can be found on the submission site. Some reviewers provide longer and more detailed comments than do others, and not all reviewers included comments for authors with their ratings. I hope, however, that you will find their feedback informative as you prepare your poster.

If you selected an in-person presentation, APA will notify you by email of the exact date, time, and location of the symposium once the full schedule of programming is finalized. If you selected the virtual option, more instructions will come from APA. In either case, you will hear from APA sometime in April.

We thank you again for your submission, and we look forward to your presentation!

Sincerely,

Alicia Trotman and Barbara Thelamour
Division 1 Program Co-Chairs
