Dear Submitter:

Congratulations! I am pleased to inform you that your poster proposal has been selected for presentation in Division 56's programming for the 2022 APA meeting in Minneapolis, MN. Please be sure to share the good news with your coauthors.

Poster selections are based on the recommendation of anonymous reviewers. Some reviewers provide longer and more detailed comments than do others, and not all reviewers included comments for authors with their ratings. *If you would like the feedback from your poster, please email me back with that request.*

APA will notify you by email of the exact date, time, and location of the symposium once the full schedule of programming is finalized. That likely will not happen until late March or April.

If you have not heard from the Convention Office by that time, please contact them at Convention@apa.org. I look forward to your presentation, and I hope to see you at other Division 56 programming at the conference. Again, congratulations!

Sincerely,
Jessica Punzo

APA 2022

Dear Dr. Kaylee Short,

Thank you for participating in APA 2022! This year's agenda features some of the most compelling psychology topics, scientific research, and thought leadership happening in the world. We're honored to have you join us.

Please note that all individuals attending APA 2022 in Minneapolis must be fully vaccinated for COVID-19. Proof of COVID-19 vaccination will be required for entry into the Minneapolis Convention Center. See [APA's Health and Safety Protocols](#) for more information.

Presenters must also register for APA 2022. Early bird registration ends on **May 31**. For details and to register, visit convention.apa.org.

Your session details are provided below — along with three steps you must complete.
