Free Communication/Poster Notification

After two years away, ACSM is thrilled to be back in person this year in beautiful San Diego, CA, where you can finally share your work, network and answer questions face to face!

We are pleased to inform you that your abstract titled “**Understanding The Role Preschoolers Body Composition Plays In Fms Development**” has been accepted for **in-person** presentation in a **Free Communication/Poster** session at the 2022 ACSM Annual Meeting, World Congress on Exercise is Medicine®, and World Congress on the Basic Science of Exercise and Vascular Health being held at the San Diego Convention Center in San Diego, CA, from May 31 to June 4, 2022. Presented abstracts will be published in an annual meeting supplement within volume 54 of *Medicine & Science in Sports & Exercise*® (*MSSE*). Your presentation date and time are as follows:

Author Block: Katherine E. Spring, Alexandra V. Carroll, Danielle D. Wadsworth. *Auburn University, Auburn, AL.*

Session Title: Health Promotion/Interventions: Children, Adolescents, and Young Adults

Session Number: C-27

Session Date/Time: Thursday Jun 2, 2022 9:30 AM – 12:00 PM

Presentation Time: 10:30am – 12:00pm

Room/Location: Please refer to the mobile app once on-site.

Scheduling

The Program Committee has worked diligently to minimize content overlap among the concurrent sessions at the meeting. Because changes to the time or day of any sessions would have a ripple effect throughout the program, we cannot consider any change requests related to the date and time of sessions.

Session Details

For important details and instructions to assist with your presentation preparations, please click on the link below that says “**Free Communication/Poster**”.

Registration Details

Per ACSM policy, all presenters are required to register and pay the registration fee for the **in-person** conference (“In-Person Programming” or “Combined Programming” registration options). This includes exhibitors who may also be presenting. Failure to register, including paying the fee, may result in a penalty preventing you from presenting at future annual meetings and will result in your abstract not being published in the *MSSE* supplement.

The Program Committee recommends all speakers pre-register by April 6 to take advantage of the early-bird price break. [Click here to register.](#)

You will register for the meeting via the ACSM member website, which is different than the abstract submission database. If you do not have an account on the ACSM member website, you will need to create one in order to register.

Housing

[Review housing details and reserve your hotel room.](#)

Withdrawing

In the event an emergency arises that prohibits you from presenting your material, please immediately inform Beth Reed in the ACSM Education Department via email at breed@acsm.org. The Board of Trustees has a long-standing policy stating that speakers who fail to provide notice of a reason acceptable to the Program Committee for not delivering an accepted paper will be prohibited from presenting at future annual meetings. Also, be advised that per Program Committee policy, only the first author may withdraw the abstract.

General Photography and Social Media Etiquette

ACSM strives to create a participatory environment at its meetings that encourages learning and facilitates dialogue. Generally, taking photos, live-tweeting, and sharing ACSM Annual Meeting experiences on social media is welcomed. It is the attendee’s responsibility to avoid distraction to others by using devices in a sensible, respectful and conscientious manner.

However, presenters of session and poster content may not wish to have their presentations or research photographed, recorded or shared on Twitter, Facebook or other social networks. Presenters will be asked to make an announcement before and during their presentations if such capturing and recording is allowed. If there is no announcement or other permission granted, attendees are asked to refrain from photography and recording. Since content may be at different points of journal submission or other formal processes, ACSM asks all attendees to honor presenters’ desires regarding photography and social media, whether allowed in whole, in part or not at all.

Social Media

We encourage you to celebrate the acceptance of your presentation by letting your friends and family know about this accomplishment. [Click here to find text and graphics](#) you can add to your email signature block or post on your social networks.

ACSM COVID-19 Policy (ACSM Health and Safety Protocols)

[View ACSM’s Health and Safety Protocols](#) for the Annual Meeting and World Congresses. As a science-based organization, ACSM continues to follow the guidance of the CDC and state and local health departments. This guidance, along with our health and safety measures, will continue to evolve as the COVID-19 situation changes. Protecting the health and safety of all participants remains our top priority.

Please contact Beth Reed in the ACSM Education Department at breed@acsm.org with any questions. Thank you for your contribution to the program. We look forward to your presentation.

Sincerely,

2022 ACSM Program Committee

ACSM Annual Meeting, World Congress on Exercise is Medicine®, and World Congress on the Basic Science of Exercise and Vascular Health
