Professional Honor Society International

# Chi Sigma Iota

August 6, 2025

Dear Lyndsay Deal,

On behalf of the Chi Sigma Iota Counseling Academic and Professional Honor Society International (CSI) CSI Days Poster Sessions Committee, we are pleased to inform you that your proposal, “The Iota Delta Sigma Chapter of Chi Sigma Iota at Auburn University” has been selected for a 2025-2026 CSI Days Poster Session! Congratulations!

To support the continued preparation and development of your work prior to presenting the Iota Delta Sigma Chapter’s project at the ACES Conference, our reviewers offered the following constructive feedback: *“This poster topic is clearly aligned with the Chapter Legacy Poster theme and reflects the importance of honoring your chapter’s contributions. To make a stronger impact, consider refining the content to highlight specific and compelling examples, such as signature initiatives, distinctive events, or innovative leadership efforts, that uniquely define the Iota Delta Sigma Chapter. Providing concrete details will help bring the chapter’s legacy to life, making it more vivid, memorable, and engaging for the audience.”* We ask the members of the Iota Delta Sigma Chapter to incorporate this feedback when developing your poster.

Your session is scheduled to be presented on **Saturday, October 11<sup>th</sup> from 8:00-8:50AM, in the Grand Ballroom Foyer**, during the Association for Counselor Education and Supervision (ACES) Conference held in Philadelphia, Pennsylvania, from October 8-12, 2025. We will provide presentation boards and pins for you to display your poster during the 50-minute session. General guidelines for preparing poster sessions are available on the [CSI website](#).

As the primary presenters, you will serve as our main contact. Please notify any co-presenters of this acceptance and the scheduling details. Each presenter must be an active member of CSI, both now and at the time of the presentation. Membership will be verified, so please ensure that all presenters’ memberships are current.

If you have not already, please register for the [ACES Conference](#) at your earliest convenience. Registration is open, and Early Bird registration rates are available through August 30, 2025.

Dr. Panagiotis Markopoulos, CSI Poster Session Chair, and Amy Ross, CSI Mission Coordinator, will be coordinating the poster sessions during CSI Days. If you have any questions or need further information, please feel free to contact them at [markopoulosp23@uiu.edu](mailto:markopoulosp23@uiu.edu) and [mission.coordinator@csi-net.org](mailto:mission.coordinator@csi-net.org), respectively.

Thank you for submitting your proposal this year. We appreciate the opportunity to sponsor a session that advances CSI’s mission.
