REGISTRATION

Register for ASHE 2020 Virtual Conference

Note: Because Pre-Conference events occur a week prior to the annual conference, each requires a separate registration.

For questions about registration, contact the ASHE Office at office@ashe.ws or (702) 895-2737.

- Current ASHE members are able to register for the Virtual Conference at discounted fees (see below).
- Expired Members can register for the Virtual Conference at non-member rates. You can reactivate your membership in the registration process to take advantage of discounted pricing.
- Individuals with Guest accounts can register for the Virtual Conference at non-member rates. You can become a member during the registration process to take advantage of discounted pricing.
- All general conference sessions will be streamed live and recorded. Your registration fee includes access to all recorded sessions, which will be available a few weeks after the conference.
- We encourage attendees to immerse themselves (as possible) in the virtual conference experience--set your schedule just as you would for an in-person conference and interact through question and answer and interactive sections of presentations.
