Information for ASHE 2020 Sessions

For all session types, we will be in contact in the coming weeks and months with more information about the virtual platform, content, how-to guides and training.

Paper Sessions
If you are presenting a paper in a self-designed paper session or a regular paper session (scholarly or research), you must upload a copy of your full paper for your discussant and chair on the ASHE Conference Portal no later than Monday, October 26, 2020 at 4pm Pacific Time. Should you not upload a paper by the deadline, your discussant may elect only to give cursory feedback or no feedback at all.

Please note that when you upload your paper to the ASHE Conference Portal, it is not made public; it will only be visible to participants in your session including your Discussant and Chair. All participants are prohibited from publicly sharing any uploaded materials from presenters in their session.

Interactive Symposium
If you are delivering work in an Interactive Symposium, please note that you are responsible for coordinating the presenters and flow of your session.

Performance, Video, Digital Sessions (PVDS)
If you are delivering work in our "PVDS" format, please expect communication from Dr. Bridget Turner Kelly and Dr. Wilson Okello as the conference approaches. Dr. Turner Kelly and Dr. Okello are organizing logistics for these sessions and will be working with each presenter to ensure a successful performance/presentation/delivery.

Roundtable and Poster Sessions
If you are delivering work in a roundtable or poster session, please expect communication from Dr. Ashley Clayton as the conference approaches. Dr. Clayton will share practices and guidelines to make roundtable and poster sessions more accessible and we will communicate these strategies later this fall.

Registration
Conference presenters for all sessions are required to be registered for the general conference and/or respective pre-conference(s). The priority registration deadline for volunteers and presenters is October 15, which helps the ASHE Office and Program Committee ensure your attendance at the conference. We will be providing more information about registration for the virtual conference in the coming weeks.
