Subject: Congratulations from ACC!

Dear Matt Tuttle:

The Association for Creativity in Counseling would like to invite you to present your workshop, School Counselors and School Nurses: Attitudes, Knowledge, and Experiences about Bringing Canines to School (Roundtable 1), at our annual conference in Clearwater, Florida. The conference will take place at the Wyndham Grand Clearwater Hotel on September 6th -7th, 2019. Your workshop has been scheduled for Friday from 10:10- 11:00 am in Pelican.

To confirm your presentation, each presenter must register for the conference no later than **July 30, 2019**. Presenters will be dropped from the schedule if they have not registered by July 30th. Click on the link below to register for the conference:
https://whova.com/portal/registration/assoc_201909/

The early bird rate is available through August 1, 2019.

Please reserve your room at the Wyndham Grand Clearwater Hotel early. ACC's room block typically sells out, so book your rooms early. We have been given an amazing discounted rate of only \$177 per night! Use the link below to book your hotel rooms:
<https://book.perskey.com/gc/2019ACCAnnualConference>

You may also call 727-281-9536 and ask for the ACC room block rate.

Please note that no presenter substitutions may be made or additional presenters added to conference sessions without ACC approval, and ACC reserves the right to edit your workshop title and description for marketing purposes.

Please confirm your participation by registering for the conference as soon as possible. ACC needs your firm commitment to participate so that the conference materials accurately reflect the on-site program. If you are unable to confirm your participation at this time, please let us know immediately so that we may offer the presentation opportunity to someone else.

Feel free to contact us if you have any questions. We are looking forward to seeing you at the conference.

TSA CHANGES - ARRIVE EARLY

Please be aware of the recent changes to TSA screening procedures, including the requirement to place powder-like substances over 12oz/350ml in your checked bag when traveling on an international flight to the United States. For more information on powder restrictions, visit delta.com.

In addition to these changes, many airports are experiencing a high volume of travelers, resulting in long check-in, baggage drop and security checkpoint lines.

In addition to these changes, many airports are experiencing a high volume of travelers, resulting in long check-in, baggage drop and security checkpoint lines. Please plan to arrive at the airport at least 2 hours prior to your departure when traveling domestically (within the U.S.) and at least 3 hours prior to your departure when traveling internationally. We also encourage passengers to check-in online at delta.com or via the Fly Delta app to help avoid delays.

RESTRICTED HAZARDOUS ITEMS

To ensure the safety of our customers and employees, **Delta will no longer accept smart bags starting January 15, 2018. Smart bags with non-removable lithium-ion batteries** will not be permitted as carry-on or checked baggage on any **Delta** mainline or **Delta** Connection flight. For more information, please visit our [News Hub](#).

Hoverboards or any lithium battery powered self-balancing personal transportation devices are also not permitted as both carry-on and checked baggage.

Spare batteries for other devices, fuel cells, and e-cigarettes are permitted in carry-on baggage only. If your carry-on bag contains these items and is gate checked, they must be removed and carried in the cabin. Further information and specific guidelines regarding restricted items can be found [here](#).
