Dear LaKaylyn,

Congratulations on the acceptance of your proposed poster for presentation at the social hour sponsored by CCPTP, SAS, and the sections of Division 17 at the 2022 APA Convention! Your proposal was peer-reviewed and selected for acceptance by the Section for the Advancement of Women as it covers research and/or theory that is important to members of the section. As you are aware, the student poster session will be held in-person and the time and date is Thursday, August 4th, 6-7:50pm. We will update you as soon as we are able with the location of the event.

In the next two weeks we will be sending some information that will assist you in preparing for your presentation. However, if you have any questions, you may email me or Allie Minieri at allieminieri@gmail.com.

As the first author of the proposal, please inform your colleagues (if applicable) about the status of your proposal. **Also, please confirm via email of your intent to present your research at the poster session by July 8th, 2022. If you are unable to present your poster for any reason, please contact me immediately.**

If you have further questions, please feel free to contact me. I look forward to meeting you and seeing your work presented.

Sincerely,

Sarah Nolan & Allie Minieri
