

Dear Sarah Ebner,

Congratulations! The American Counseling Association is pleased to inform you that your proposal **Best Practices for using AI and the Golden Thread** has been selected for presentation at the 2026 ACA Annual Conference & Expo, taking place April 9-11, 2026 in Columbus, Ohio.

**Terms of Acceptance:**

- **Membership:** As the primary presenter, you must be an ACA member in good standing. Ensure your membership is current and remains valid through April 30, 2026. ACA will verify this status.
- **Registration:** All presenters must register for the conference by **March 6, 2026**. Failure to do so will result in removal from the program. [Registration is now open!](#)
- **Scheduling:** You will receive your session schedule and further details by **November 20, 2025**. If you or a co-presenter have scheduling conflicts (e.g., ACA division or committee events), notify us by **November 5, 2025**. Once finalized, schedule changes may not be possible.

A link to your presenter portal will be sent next week. This portal will include your tasks, deadlines, and additional speaker information. Please be on the lookout for that email.

Please let us know if you have any questions or need additional information.

Warmly,

ACA Professional Education Team

**American Counseling Association**
