Here's a ****projected Uber cost estimate** for a round-trip between Montréal–Pierre Elliott Trudeau International Airport (YUL) in *Montréal, Canada* and **Le Westin Montréal** in *downtown Montréal* in **June**. Prices will vary significantly based on demand (time of day, rush hours, events), vehicle type, traffic, and surge pricing.

One-Way Uber Estimate (YUL → Le Westin Montréal)

Typical UberX (standard option)

- Estimated fare: ≈ **CAD \$30 – \$45 one-way** depending on surge/demand. TravelDailyNews... +1

(This aligns with recent traveller reports of Uber from YUL to downtown around ~\$30-\$45.) TravelDailyNews...

Uber Comfort / Premium / Black (higher-end service)

- Likely **CAD \$60 – \$100+ one-way** (luxury or larger vehicle) — higher than UberX. TravelDailyNews...

 The downtown estimate (Westin is in the central area) is similar to typical YUL-Montreal downtown UberX prices. TravelDailyNews...

Return Ride (Le Westin Montréal → YUL)

Uber pricing in Montreal doesn't have a fixed rate for the airport route — it's fully dynamic, so returning to the airport can cost slightly more or less than the ride from the airport, depending on **time of day** and **demand**.

Typical UberX return estimate:

- ≈ **CAD \$30 – \$50 one-way** (similar to airport-to-downtown range). TravelDailyNews...

Total Round-Trip Estimate

Service Type	One-Way Estimate	Round-Trip Estimate
UberX (standard)	CAD \$30 – \$45	CAD \$60 – \$90
