Dear Molly Cassidy,

Thank you for submitting your abstract for presentation at the 2022 NSCA National Conference in New Orleans, LA. A panel of your professional colleagues conducted a blind review of the abstract. Each abstract was reviewed for formatting, scientific content, appropriate methodology, correct statistical analysis, proper interpretation of results, and contribution to the field of strength and conditioning.

Congratulations, the following abstract(s) has/have been accepted for presentation. The format, award consideration, location, date, time, and presentation number are listed below.

COMPARISON OF CONCENTRIC AND ECCENTRIC CONTRACTIONS IN THE FRONTAL AND SCAPULAR PLANE FOR ROTATIONAL STRENGTH MEASUREMENTS

Primary Presenter: Molly Cassidy

Author: Kevin Giordano

Author: Gretchen D. Oliver, PhD

Format: Friday Poster Session A

Date: Friday July 8, 2022

Time: 10:30 AM - 12:00 PM

Room: Exhibit Hall

Your Role: Primary Presenter

Presentation Number or Poster Number: 1

For Podium Presentations

Podium presenters must attend the conference to present their abstract. Please prepare your podium presentations using Microsoft PowerPoint. Presentations will be uploaded to an NSCA Dropbox account prior to the conference (more information on this will be sent later).

For Poster Presentations

Poster presenters should have their poster up 20 minutes before their scheduled presentation time. Each poster board will be numbered. Please hang your poster on the appropriate board number (poster number indicated above). You will need to stand by your poster between the times listed above on your presentation date to answer any questions. After your presentation, you may take your poster down.

NOTE: You are responsible for your own poster if you wish to keep it. If you misplace or leave your poster up after the presentation time, the NSCA is not liable for your poster if it is thrown away.

Please prepare your poster according to the NSCA National Conference Research Abstract Submission & Presentation Guidelines, which is available for download at https://www.abstractscorecard.com/uploads/cfp2/images/2022AbstractGuidelines_83.pdf.

Student Awards

Based on the preliminary scores from submission reviews, the top five undergraduate, top ten master's, and top ten doctoral abstracts will be judged in person at the NSCA National Conference. If you submitted an abstract for award consideration that was scored in the top five or ten, it will be listed with the presentation format above.

Abstract task assignments will be provided in a separate email in the future.

Thank you again for the time that you have put into this research in an effort to enhance our knowledge of strength and conditioning.
