**Subject:** NACTA 2026 - Abstract Notification

Dear Colleague,

Thank you for submitting an abstract for the 2026 NACTA Conference to be held in Starkville, Mississippi, USA on June 22-25, 2026. The Review Committee has now finished reviewing the submissions and has come to a decision regarding your abstract submission.

Your abstract titled "Hatching partnerships: A train-the-trainer hatch-out program for community based agricultural education and outreach" has been **Accepted**.

Presenter: **Madalyn Jennings**

Presentation accepted as: **Poster**

IMPORTANT DETAILS:

*Please share this decision with your co-authors as appropriate.*

- Presenters must be registered for the conference by **April 25, 2026**.
- You can register through the conference website [HERE](#).
- You do not have to pay at the time of registration. If your funding has not yet been secured, you can choose the "invoice" option at the end of the registration process.
- Any abstract without a registered presenter by April 25, 2026 will be **REMOVED** from the program. If you are unable to register by this date for some reason, please notify the NACTA Admin Office as soon as possible.
- The presentation schedules, setup/teardown information, poster sizes, and other details can be found on the [Poster/Oral Presenter FAQ Page](#) as it becomes available.

If you have any abstract-related requests (presenter change, scheduling request, etc.) please use the [Abstract Author Request Form Here](#).

If you have any questions please review the [Poster/Oral Presenter FAQ](#) before contacting [support@nactateachers.org](mailto:support@nactateachers.org).

Thank you,

William Doss, PhD

NACTA Conference 2026 Abstract Associate Editor
