~

Dear Natalie Smith,

The **CMS** Program Committee would like to thank you for submitting your proposal, “Leading Change in Music Teacher Education – How can we better prepare future music teachers?” in response to the **CMS2023** Southern Conference - Call for Oral & Poster Presentations. I am very pleased to let you know that your work has been selected for presentation on the program.

It is our policy that all composers, presenters, co-presenters, panelists, and collaborative pianists must hold current membership in **CMS** and must register for the event no later than **Thursday, December 1, 2022**. The registration form is available on [the conference website](#).

If a co-presenter or panelist is from a profession other than music (e.g., lawyer, librarian, medical professional), they may be exempted from the membership and registration requirements; however, it is your responsibility to communicate with us right away to request their exemption. Performers of works by **CMS** composers are not required to register unless they plan to attend conference sessions in addition to the concert in which they are performing. In this case, they are expected to pay the full registration fee accordingly.

If you are an adjunct or a freelance musician without full-time employment, you may be eligible to receive an additional discount on your conference registration fee. Please contact me and explain your employment situation. If you qualify, we will share a coupon code for you to include on your registration form that will provide the discount.

Please look for further correspondence regarding the date and time of your presentation. Please recall that according to the rules of the Call, you have agreed to present on any day of the conference. We regret that we cannot entertain requests for specific dates or times.

I congratulate you on your acceptance and look forward to your participation!

Sincerely,

Julia Mortyakova

Chair, Program Committee

2023 **CMS** Southern Conference
