Free Communication/Poster Notification

We are pleased to inform you that your abstract titled "**Influence Of Absolute Force On Augmented Exercise Blood Pressure During Isometric Hand-gripping With Female Aging**" has been accepted for **in-person** presentation in a **Free Communication/Poster** session at the 2023 ACSM Annual Meeting, World Congress on Exercise is Medicine®, and World Congress on the Basic Science of Physical Activity and Aging Biology being held at the Colorado Convention Center in Denver, CO, from May 30 to June 2, 2023. Presented abstracts will be published in an online annual meeting supplement within volume 55 of *Medicine & Science in Sports & Exercise*® (MSSE). Your presentation date and time are as follows:

Author Block: Nina L. Stute¹, Matthew C. Babock², Kamila U. Polin³, Austin T. Robinson¹, Joseph C. Watso⁴. ¹*Auburn University, Auburn, AL.* ²*University of Colorado Anschutz Medical Campus, Aurora, CO.* ³*Washington DC Veteran Affairs Medical Center, Washington, DC.* ⁴*Florida State University, Tallahassee, FL.*

Session Title: Acute Exercise

Session Date/Time: Thursday Jun 1, 2023 2:00 PM – 4:30 PM

Presentation Time: 3:00pm – 4:30pm

Room/Location: Please refer to the mobile app once on-site.

Scheduling

The Program Committee has worked diligently to minimize content overlap among the concurrent sessions at the meeting. Because changes to the time or day of any sessions would have a ripple effect throughout the program, we cannot consider any change requests related to the date and time of sessions.
