Dear David and Natalie:

We are pleased to inform you that your proposal for a research paper presentation on "Teacher Morale, Job Satisfaction, and Burnout in Schools of Choice following the COVID-19 Pandemic", submitted to the 2023 International Conference on School Choice and Reform, to be held January 13-16, 2023 in Fort Lauderdale, FL at the Sonesta Fort Lauderdale Beach Hotel, has been accepted. We are excited to have you participate in the conference!

Please register and make your hotel accommodations as soon as possible if you have not already done so: <http://iscrweb.org/register/>. Please also inform any co-authors/co-presenters in the session.

If you would like to apply for a travel subsidy, please see this web address:

<http://iscrweb.org/2022-iscrc/2022-travel-grant/>

Travel subsidies are extremely limited and preference is given to (a) international scholars and to (b) junior scholars who have no other source of funding. Please direct any questions on travel subsidies to the email address listed in the web link just referenced above.

We look forward to your participation in the conference!
