Dear David Marshall,

We are pleased to inform you that your paper, **"Elementary Teacher Morale and Mental Health Following the COVID-19 Pandemic,"** submitted for consideration for the 2023 AERA Annual Meeting has been accepted. Congratulations on this accomplishment. AERA received more than 11,000 submissions this year. To ensure the highest quality papers presented at the Annual Meeting, your submission was reviewed by highly qualified reviewers serving on a review panel constituted by the **SIG-Lives of Teachers**. Reviewers' comments are now available on the Online Annual Meeting Program Portal (All Academic) System for your use (see note below).

As set forth in the 2023 Call for Submissions, the 2023 conference is a dual component meeting with a placed-based component in Chicago, April 13-16, and a virtual component May 4-5. Your paper will be scheduled for the Chicago component of the meeting.

The AERA meeting offers a number of session formats to feature high quality research and scholarly work. Your paper has been placed in a **Paper Session** titled, **"COVID-19 & K12 Teachers' Well Being & Mental Health"**. Each format involves different modes of presentation. The program schedule will be available on January 20, 2023.

All presenting authors must register for the Annual Meeting no later than February 10, 2023. Individuals who are not listed as presenting authors cannot present at the Annual Meeting. If a presenting author does not register for the meeting by February 10, 2023, their name will be removed as a presenting author. If no presenting author has registered by February 13, 2023, the paper will be removed from the program.

The final deadline for program changes is March 1, 2023. This includes changes to paper titles and presenting and non-presenting authors.

Copies of all 2023 Annual Meeting program related e-mail correspondence sent from the All Academic System, including this email, are available online in your personal "Message Center." This link is available in the Submitter menu of the All Academic System once you have signed in.

Registration and housing for the 2023 Annual Meeting will open in December 2022. Since all presenters must register for the meeting, please register early to take advantage of the Early Bird rates.

If you have additional questions or concerns, please contact the AERA Meetings Team at annualmtg@aera.net or 202-238-3200.

Sincerely,

A handwritten signature in black ink, appearing to read "Felice J. Levine". The signature is fluid and cursive, with the first name "Felice" being more prominent.
