Abstract Title: Skeletal Muscle LINE-1 Gene Regulation and Inflammatory Response to Chronic, Voluntary Endurance Training in Rodents

Presenting Author: Shelby Osburn

Session Title: APS Skeletal Muscle, Bone and Connective Tissue Poster Session

Session Day: Tuesday, April 5, 2022

Programming Society: The American Physiological Society

We are happy to inform you that your abstract, with the title shown above, has been accepted for poster presentation at Experimental Biology 2022. A copy of this email has been sent to all co-authors and sponsor. ***Final details including the session time, presentation time, program number and poster board number will be sent to you in mid-February.*** Your abstract will be published in *The FASEB Journal* in mid-May, 2022, unless withdrawn prior to the meeting. Fees apply for withdrawals. Review the [Abstract Revision and Withdrawal Policy](#) for details.

Please note that individual requests for specific presentation dates and/or times cannot be addressed due to the very large number of presentations and other factors that the program committees must consider when scheduling the overall program.

VIRTUAL POSTERS

In addition to presenting your poster in person in Philadelphia, all EB 2022 posters will also have the option of a virtual component. Instructions to upload your virtual poster will be sent in early March.

- Virtual posters are available for viewing 24/7 from March 25 – May 5, 2022.
- Virtual posters include a poster pdf, audio narration and optional hand-out (pdf/doc).
- Poster presenters can receive and respond to questions about their virtual poster.
- Poster presenters will receive an email notification when a question is posted.
- Poster presenters are not required to be available at a specific time; however, we ask that you would be prompt in replying to questions posted to your virtual poster.

If you have not already [registered](#) or made your [hotel reservation](#), please do so now. The early registration deadline is Monday, February 28 – register early to receive the best rate! Housing, transportation, registration and any additional expenses are your responsibility unless you have been otherwise notified.

IMPORTANT DEADLINES

Early Registration: February 28, 2022

PLEASE READ: HEALTH AND SAFETY INFORMATION

For the health and safety of our members and community, EB 2022 is requiring all attendees be fully vaccinated for COVID-19, and masks that cover the nose and mouth must be worn while attending EB 2022 indoor events and programming. Please review the EB 2022 [Health and Safety Information](#). To verify your vaccination status via a text-based system, EB will collect your cell phone number during your registration. Upon completion of registration, expect a text message from HealthShield/42Chat (866-383-2519) with vaccination upload instructions. If you do not have a cell phone and/or cannot receive texts, EB Management will contact you by email with an alternative method to provide your required proof of vaccination.

PHOTOGRAPHY AND RECORDING POLICY

EB is committed to honoring the rights of copyright owners and to respectful sharing of scientific research and data. Attendees at EB-sponsored scientific meetings or events are expected to adhere to this policy. In response to a changing culture, EB will now permit photography and recording during scientific meetings and events within the boundaries discussed in the complete policy located [here](#).

Icons will be provided for you to place on your presentation to indicate if you agree or not to have your abstract presentation photographed or recorded.

QUESTIONS
