# APA 2023

Dear Gihane,

Thank you for submitting a session proposal to Division 45 - Society for the Psychological Study of Culture, Ethnicity and Race for presentation at APA 2023.

We are pleased to inform you that your proposal, Exploring Racial and Ethnic Socialization Among Black Immigrant Emerging Adults , has been accepted by Division 45 - Society for the Psychological Study of Culture, Ethnicity and Race! APA 2023 will include many high-quality sessions and we are excited to have yours among those being presented.

Your session will be listed in the official APA 2023 program with the title, author names, and their institutional affiliations. You will receive an email from APA in late April with the date, time, and location of your presentation, and information about accessibility accommodations for presenters.

Please note that all presenters will need to register for APA 2023. [Registration](#) opens at 10 a.m. ET on April 25. Any member of the American Psychological Association of Graduate Students (APAGS) who is presenting as first author within a symposium or paper/poster session will have their registration fee waived if they register before July 1. (This is a one-time exemption for each APAGS member.)

If your plans have changed or one or more of your co-presenters is unable to attend APA 2023, notify the Division 45 - Society for the Psychological Study of Culture, Ethnicity and Race [Program Chair](#) and email us at [convention@apa.org](mailto:convention@apa.org).

Once again, thank you for your submission to Division 45 - Society for the Psychological Study of Culture, Ethnicity and Race and congratulations!

**Please pass along this notification to your co-authors, if applicable.**
