Subject: [EXT] Your submission (2021-2755) to AIAEE 2021 has been accepted

CAUTION: Email Originated Outside of Auburn.

Dear Tracy C James,

I am pleased to inform you that your proposal "Opportunities and Challenges of Students at Auburn University" (2021-2755) has been accepted as an ORAL Presentation at the 2022 AIAEE Conference. Congratulations on your achievement.

Please read the following information carefully:

Presenter Instructions and Conference Registration

Presenters will be required to register and pay the conference registration fee by the regular registration deadline of February 1, 2022.

Conference details, and registration will be available at: <https://aiaee2022.weebly.com>

Conference proceedings will not be published until after the conference.

Oral presentations must be presented by an author at the conference in order to be included in the official proceedings.

Should something happen so that you or the co-authors are unable to attend the conference to present the abstract, please notify us immediately so that one of the alternates already selected will be able to present at the conference in your place.

Revised abstracts

Authors wishing to make revisions to their abstracts may do so by uploading the revised copy to FastTrack as an attachment to their original submission (NO new submissions!). Please carefully edit revised abstracts in accordance with the AIAEE call and APA formatting guidelines. If you omitted location or university names for anonymity, insert appropriate names. No new authors may be added. You must have your revised abstract uploaded by February 1, 2022.

Details

Please direct requests for letters of acceptance/invitations to present to Dr. Ataharul Chowdhury, AIAEE Secretary, at ataharul.chowdhury@uoguelph.ca

Please do not hesitate to contact us with your questions.

Thank you again for submitting your work to AIAEE 2021 and we look forward to seeing your Oral Presentation presentation!

Best regards,

Dr. Richie Roberts, Abstracts Chair, roberts3@lsu.edu

Dr. John Diaz, Poster Chair, john.diaz@ufl.edu

I'm not sure this abstract is particularly innovative, but I do think this is an important topic and particularly appropriate for this conference. I would caution the author/presenter to make sure during the presentation they expand the discussion out to all international students at US institutions - by utilizing Auburn student (participants) as an example.

One more thing - next time when you "blind" the document, make sure you also remove the name of the university from the title...

9. Does this abstract have relevance to a global audience?
Yes
