

Subject: 2017 APA Convention: Notification of proposal status (ind173795)

Dear Ms. Hughes,

Congratulations! We are pleased to inform you that your proposal (*ind173795*) has been selected for presentation in the Society of Clinical Psychology (SCP, Division 12) programming for the 2017 meeting of the APA in Washington, DC. Please be sure to share the good news with your co-authors.

All submissions were carefully reviewed by the program committee and anonymous reviewers, and their qualitative feedback is included at the end of this email. Some reviewers provide longer and more detailed comments than do others, and not all reviewers included comments for authors with their ratings. We hope, however, that you will find their feedback useful as you prepare your presentation.

The APA Convention Office will notify you by email of the exact date, time, and location of your presentation once the full schedule of programming is finalized. That likely will not happen until March or April. If you have not heard from the Convention Office by that time, please contact them at Convention@apa.org.

We look forward to your presentation and hope to see you at other SCP programming at the convention. We also hope you will list Division 12 as your primary division affiliation when you register for and attend the 2017 Convention. This will allow us to maximize our number of programming hours in the future.

Should you have any questions, please feel free to contact us. Once again, thank you for your submission and congratulations!

Sincerely,

Lindsey B. Hopkins, PhD

Jasper A. J. Smits, PhD

Division 12 APA Convention Program Co-chairs
