

Congratulations! We are pleased to inform you that after a highly selective anonymous review process, your proposal has been accepted for presentation in the Division 35 program in the 2018 APA Convention in San Francisco.

You will receive a scheduling card **Graduate Student Travel Awards - submit app** time and location of your presentation around April. Your presentation will be listed in the official convention program with the titles, name(s) and institutional affiliation(s) of the author(s). No audiovisual equipment will be provided for these presentations.

Only the first author of each session is receiving this letter and will receive a schedule card directly from the APA Convention Office. All first authors are asked to pass along the good news to their co-presenters, and to inform them of the time and location of their presentations when that information is received. All participants (members and nonmembers) are required to register for the conventions.

Any APAGS member who is presenting as a first author will have their advance registration fee waived (if the registration takes place before July. Please refer to the APA website and the Convention Issue of the Monitor for further details)

We would like to remind you to please indicate on your convention registration form that Division 35 is your primary division. Thank you again for choosing Division 35 for your proposal.

We look forward to seeing you at San Francisco,

Sincerely,

Program Chairs Trio: Khanh T. Dinh (khanh_dinh@uml.edu), Louise Douce (louisedouce.1@gmail.com), and Linh Luu (lluu1@memphis.edu)
